Item 1.01. Entry into a Material Definitive Agreement.

On July 25, 2018, Banner Corporation, a Washington corporation ("Banner"), and Skagit Bancorp, Inc., a Washington corporation ("Skagit"), entered into an Agreement and Plan of Merger (the "Merger Agreement"), pursuant to which, subject to the terms and conditions set forth therein, Skagit will merge with and into Banner (the "Merger"), with Banner as the surviving corporation in the Merger. Immediately following the Merger, Skagit's wholly owned bank subsidiary, Skagit Bank, will merge with and into Banner's wholly owned bank subsidiary, Banner Bank (the "Bank Merger"), with Banner Bank as the surviving entity in the Bank Merger. The Merger Agreement was unanimously approved and adopted by the Board of Directors of each of Banner and Skagit.

Subject to the terms and conditions of the Merger Agreement, at the effective time of the Merger (the "Effective Time"), each share of common stock, no par value, of Skagit ("Skagit Common Stock") outstanding immediately prior to the Effective Time, other than certain shares held by Banner, Skagit or a holder of Skagit Common Stock who properly exercises dissenters' rights when and in the manner required under Chapter 23B.13 of the Washington Business Corporation Act, will be converted into the right to receive 5.6664 shares (the "Exchange Ratio") of common stock, par value \$0.01 per share, of Banner ("Banner Common Stock"), subject to adjustment as provided in the Merger Agreement (the "Merger Consideration"). The Merger Consideration will be reduced, via a downward adjustment to the Exchange Ratio, on a dollar-for-dollar basis (based on the Banner Average Closing Price (as defined below)) if Skagit's shareholders' equity, measured as of the month-end prior to the closing (or, if the closing is expected to occur in the first eight days of a month, the preceding month-end) and subject to certain adjustments, is less than \$80 million. Skagit will be entitled to pay a special dividend to its shareholders immediately prior to closing to the extent such shareholders' equity, as adjusted, exceeds \$80 million.

At the Effective Time, each stock option granted by Skagit (a "Skagit Option") that is outstanding as of immediately prior to the Effective Time will fully vest and will be cancelled and converted into the right to receive a cash payment, without interest and less applicable withholding taxes, equal to the product of (i) the number of shares of Skagit Common Stock subject to the Skagit Option as of immediately prior to the Effective Time and (ii) the excess, if any, of the (1) product of (A) the Exchange Ratio and (B) the average closing price of Banner Common Stock for the five full trading days immediately preceding the date that is the second business day prior to the closing date of the Merger (the "Banner Average Closing Price") over (2) the exercise price per share of Skagit Common Stock subject to such Skagit Option as of the Effective Time.

The Merger Agreement provides that effective immediately following the Effective Time, Banner will appoint Cheryl Bishop, the Chief Executive Officer of Skagit, to serve on the Banner Board of Directors.

The Merger Agreement contains customary representations and warranties from both Banner and Skagit, each with respect to its and its subsidiaries' business, and each party has agreed to customary covenants, including, in the case of Skagit, covenants relating to the conduct of its business during the interim period between the execution of the Merger Agreement and the Effective Time and Skagit's obligation to call a meeting of its shareholders to adopt and approve the Merger Agreement, and, subject to certain customary exceptions, for the Board of Directors of Skagit to recommend that its shareholders adopt and approve the Merger Agreement. Skagit has also agreed to customary non-solicitation covenants relating to alternative acquisition proposals.

The completion of the Merger is subject to customary conditions, including (1) adoption and approval of the Merger Agreement by the affirmative vote of the holders of two-thirds of the outstanding shares of Skagit Common Stock, (2) non-objection by the NASDAQ to the listing of the shares of Banner Common Stock to be issued in the Merger, (3) receipt of all required regulatory approvals, including the approval of the Federal Reserve Board, the Federal Deposit Insurance

Corporation and the Washington State Department of Financial Institutions, Division of Banks, and with respect to Banner's obligation to complete the Merger, without any required regulatory approval resulting in a materially burdensome regulatory condition, (4) effectiveness of a registration statement on Form S-4 for the shares of Banner Common Stock to be issued in the Merger, (5) absence of any law, order, injunction or decree prohibiting or making illegal the completion of the transactions contemplated by the Merger Agreement and (6) final determination of the amount of Skagit's adjusted shareholders' equity for purposes of determining any adjustment to the Exchange Ratio and the Merger Consideration. Each party's obligation to complete the Merger is also subject to certain additional customary conditions, including (1) the receipt of a tax opinion from the applicable party's counsel to the effect that the Merger will qualify as a "reorganization" for tax purposes, (2) the accuracy of the other party's representations and warranties, subject to certain qualifications and exceptions, as of the date of the Merger Agreement and as of the closing date, and (3) material performance of the other party's covenants, agreements and obligations under the Merger Agreement. Banner's obligation to complete the Merger is also subject to the condition that holders of not more than 10% of the outstanding shares of Skagit Common Stock have exercised their dissenters' rights under Washington law.

The Merger Agreement provides certain termination rights for both Banner and Skagit and further provides that a termination fee of \$7.75 million would be payable by Skagit to Banner upon termination of the Merger Agreement under certain circumstances.

In connection with the execution of the Merger Agreement, Banner entered into voting agreements with certain directors and executive officers of Skagit and/or their affiliates (the "Voting Agreements"), in which each such person agreed, among other things, to vote the shares of Skagit Common Stock owned beneficially or of record by such person and over which it has voting power in favor of the Merger Agreement, and against any alternative acquisition proposal or other action that would prevent, impede, interfere with, delay, postpone, discourage or frustrate the purposes of or adversely affect the consummation of the transactions contemplated by the Merger Agreement, as well as certain other restrictions with respect to the voting and transfer of such person's shares of Skagit Common Stock. The Voting Agreements also contain certain confidentiality, non-solicitation and, in the case of the Voting Agreements executed by non-executive officers of Skagit, non-competition covenants.

The foregoing description of the Merger Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Merger Agreement, which is attached hereto as Exhibit 2.1 and is incorporated herein by reference.

The representations, warranties and covenants of each party set forth in the Merger Agreement have been made only for purposes of, and were and are solely for the benefit of the parties to, the Merger Agreement, may be subject to limitations agreed upon by the contracting parties, including being qualified by confidential disclosures made for the purposes of allocating contractual risk between the parties to the Merger Agreement instead of establishing these matters as facts, and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors. Accordingly, the representations and warranties may not describe the actual state of affairs at the date they were made or at any other time, and investors should not rely on them as statements of fact. In addition, such representations and warranties (1) will not survive consummation of the Merger and (2) were made only as of the date of the Merger Agreement or such other date as is specified in the Merger Agreement. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in the parties' public disclosures. Accordingly, the Merger Agreement is included with this filing only to provide investors with information regarding the terms of the Merger Agreement, and not to provide investors with any other factual information regarding Banner or Skagit, their respective affiliates or their respective businesses. The Merger Agreement should not be read alone, but should instead be read in conjunction with the other information regarding Banner, Skagit,

their respective affiliates or their respective businesses, the Merger Agreement and the Merger that will be contained in, or incorporated by reference into, the registration statement on Form S-4 that will include a proxy statement/prospectus, which will be sent to the shareholders of Skagit seeking their approval of the Merger Agreement, as well as in the Forms 10-K, Forms 10-Q, Forms 8-K and other filings that Banner makes with the Securities and Exchange Commission ("SEC").

Investors and security holders are cautioned not to place undue reliance on any forward-looking statements, which speak only as of the date such statements are made. These statements may relate to future financial performance, strategic plans or objectives, revenues or earnings projections, or other financial information. By their nature, these statements are subject to numerous uncertainties that could cause actual results to differ materially from those anticipated in the statements. Statements about the expected timing, completion and effects of the proposed merger and all other statements in this communication other than historical facts constitute forward-looking statements.

In addition to factors disclosed in Banner's SEC reports, important factors that could cause actual results to differ materially from the results anticipated or projected include, but are not limited to, the following: expected revenues, cost savings, synergies and other benefits from the proposed merger of Banner and Skagit might not be realized within the expected time frames or at all and costs or difficulties relating to integration matters, including but not limited to customer and employee retention, might be greater than expected; the requisite regulatory approvals for the proposed merger of Banner and Skagit may be delayed or may not be obtained (or may result in the imposition of conditions that could adversely affect the combined company or the expected benefits of the proposed merger); the requisite approval of Skagit shareholders may be delayed or may not be obtained, the other closing conditions to the merger may be delayed or may not be obtained, or the merger agreement may be terminated; business disruption may occur following or in connection with the proposed merger of Banner and Skagit; Banner's or Skagit's businesses may experience disruptions due to transaction-related uncertainty or other factors making it more difficult to maintain relationships with employees, customers, other business partners or governmental entities; the possibility that the proposed merger is more expensive to complete than anticipated, including as a result of unexpected factors or events; diversion of managements' attention from ongoing business operations and opportunities as a result of the proposed merger or otherwise; the credit risks of lending activities, including changes in the level and trend of loan delinquencies and write-offs and changes in estimates

of the adequacy of the allowance for loan losses and provisions for loan losses that may be impacted by deterioration in the housing and commercial real estate markets and may lead to increased losses and non-performing assets, and may result in the allowance for loan losses not being adequate to cover actual losses and require a material increase in reserves; results of examinations by regulatory authorities, including the possibility that any such regulatory authority may, among other things, require the writing down of assets or increases in the allowance for loan losses; the ability to manage loan delinquency rates; competitive pressures among financial services companies; changes in consumer spending or borrowing and spending habits; interest rate movements generally and the relative differences between short and long-term interest rates, loan and deposit interest rates, net interest margin and funding sources; the impact of repricing and competitors' pricing initiatives on loan and deposit products; fluctuations in the demand for loans, the number of unsold homes, land and other properties and fluctuations in real estate values; the ability to adapt successfully to technological changes to meet customers' needs and developments in the marketplace; the ability to access cost-effective funding; increases in premiums for deposit insurance; the ability to control operating costs and expenses; the use of estimates in determining fair value of certain assets and liabilities, which estimates may prove to be incorrect and result in significant changes in valuation; staffing fluctuations in response to product demand or the implementation of corporate strategies that affect employees, and potential associated charges; disruptions, security breaches or other adverse events, failures or interruptions in, or attacks on, information technology systems or on the third-party vendors who perform critical processing functions; changes in financial markets; changes in economic conditions in general and in Washington, Idaho, Oregon and California in particular; secondary market conditions for loans and the ability to sell loans in the secondary market; the costs, effects and outcomes of litigation; legislation or regulatory changes or reforms, including changes in regulatory policies and principles, or the interpretation of regulatory capital or other rules, including changes related to Basel III; the impact of the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 and the implementing regulations; results of safety and soundness and compliance examinations by the Board of Governors of the Federal Reserve System, the Federal Deposit Insurance Corporation, the Washington State Department of Financial Institutions, Division of Banks, or other regulatory authorities, including the possibility that any such regulatory authority may, among other things, require restitution or institute an informal or formal enforcement action which could require an increase in reserves for loan losses, write-downs of assets or changes in regulatory capital position, or affect the ability to borrow funds, or maintain or increase deposits, or impose additional requirements and restrictions, any of which could adversely affect liquidity and earnings; the availability of resources to address changes in laws, rules, or regulations or to respond to regulatory actions; adverse changes in the securities markets; the inability of key third-party providers to perform their obligations; changes in accounting principles, policies or guidelines, including additional guidance and interpretation on accounting issues and details of the implementation of new accounting methods; the economic impact of war or any terrorist activities; other economic, competitive, governmental, regulatory and technological factors affecting operations, pricing, products and services; future acquisitions by Banner of other depository institutions or lines of business; and future goodwill impairment due to changes in Banner's business, changes in market conditions, or other factors.

WITNESSETH:

WHEREAS, the Boards of Directors of Parent and the Company have determined that it is in the best interests of their respective companies and their shareholders to consummate the strategic business combination transaction provided for herein, pursuant to which the Company will, subject to the terms and conditions set forth herein, merge with and into Parent (the "Merger"), so that Parent is the surviving corporation (hereinafter sometimes referred to in such capacity as the "Surviving Corporation") in the Merger;

WHEREAS, the Boards of Directors of Parent and the Company have adopted and approved this Agreement and the transactions contemplated hereby, including the Merger, and the Board of Directors of the Company has resolved to recommend that the shareholders of the Company approve and adopt this Agreement and the transactions contemplated hereby, including the Merger;

WHEREAS, for federal income tax purposes, it is intended that the Merger shall qualify as a "reorganization" within the meaning of Section 368(a) of the Internal Revenue Code of 1986, as amended (the "Code"), and this Agreement is intended to be and is adopted as a "plan of reorganization" for purposes of Sections 354 and 361 of the Code;

WHEREAS, this Agreement constitutes a "plan of merger" within the meaning of the Washington Business Corporation Act ("WBCA");

WHEREAS, as an inducement for each party to enter into this Agreement, certain directors, officers and shareholders of the Company have simultaneously herewith entered into voting and support agreements (collectively, the "Voting Agreements") in connection with the Merger; and

WHEREAS, the parties desire to make certain representations, warranties and agreements specified in this Agreement in connection with the Merger and also to prescribe certain conditions to the Merger.

NOW, THEREFORE, in consideration of the mutual covenants, representations, warranties and agreements contained herein, and intending to be legally bound hereby, the parties agree as follows:

ARTICLE I

THE MERGER

1.1 The Merger. Subject to the terms and conditions of this Agreement, in accordance with the WBCA, at the Effective Time, the Company shall merge with and into

Parent. Parent shall be the Surviving Corporation in the Merger, and shall continue its corporate existence under the laws of the State of Washington. Upon consummation of the Merger, the separate corporate existence of the Company shall terminate.

1.2 Closing. Subject to the terms and conditions of this Agreement, the closing of the Merger (the "Closing") will take place at 10:00 a.m. Seattle time, at the offices of Wachtell, Lipton, Rosen & Katz, on a date which shall be no later than three (3) business days after the satisfaction or waiver (subject to applicable law) of all of the conditions set forth in Article VII hereof (other than those conditions that by their nature can only be satisfied at the Closing, but subject to the satisfaction or waiver thereof), unless another date, time or place is agreed to in writing by Parent and the Company. The date on which the Closing occurs is referred to in this Agreement as the "Closing Date."

1.3 Effective Time. Subject to the terms and conditions of this Agreement, at the Closing, the parties shall execute, and Parent and the Company shall cause to be filed articles of merger with the Secretary of State of the State of Washington (the "Washington Secretary") and a plan of merger, as provided in the relevant provisions of the WBCA (collectively, the "Articles of Merger"). The Merger shall become effective at such time as designated in the Articles of Merger, or if no time is designated, at the time of filing of the Articles of Merger. The term "Effective Time" shall be the date and time when the Merger becomes effective, as set forth in the Articles of Merger (or if no time is designated, at the time of filing of the Articles of Merger).

1.4 Effects of the Merger. At and after the Effective Time, the Merger shall have the effects set forth in the applicable provisions of the WBCA.

1.5 Conversion of Company Common Stock. At the Effective Time, by virtue of the Merger and without any action on the part of Parent, the Company or the holder of any of the following securities:

(a) Subject to Section 2.2(e), each share of the common stock, no par value, of the Company issued and outstanding immediately prior to the Effective Time (the "Company Common Stock"), except for the Cancelled Shares and Dissenting Shares, shall be converted into the right to receive, without interest, 5.6664 shares, subject to adjustment pursuant to Section 1.13 (as adjusted pursuant to Section 1.13, the "Exchange Ratio"), of the common stock, par value \$0.01 per share, of Parent (the "Parent Common Stock") (the "Merger Consideration"); it being understood that upon the Effective Time, pursuant to Section 1.6, the Parent Common Stock, including the shares issued to former holders of Company Common Stock, shall be the common stock of the Surviving Corporation.

(b) All of the shares of Company Common Stock converted into the right to receive the Merger Consideration pursuant to this Article I shall no longer be outstanding and shall automatically be cancelled and shall cease to exist as of the Effective Time, and each certificate (each, an "Old Certificate," it being understood that any reference herein to "Old Certificate" shall be deemed to include reference to book-entry account statements relating to the ownership of shares of Company Common Stock) previously representing any such shares of Company Common Stock shall thereafter represent only the right to receive (i) the Merger

Consideration, including without duplication, cash in lieu of fractional shares which the shares of Company Common Stock represented by such Old Certificate have been converted into the right to receive pursuant to this Section 1.5 and Section 2.2(e) and (ii) any dividends or distributions which the holder thereof has the right to receive pursuant to Section 2.2(b) upon the surrender of such Old Certificates in accordance with Section 2.2, in each case without any interest thereon. If, prior to the Effective Time, the outstanding shares of Parent Common Stock or Company Common Stock shall have been increased, decreased, changed into or exchanged for a different number or kind of shares or securities as a result of a reorganization, recapitalization, reclassification, stock dividend, stock split or reverse stock split, an appropriate and proportionate adjustment shall be made to the Exchange Ratio and the Merger Consideration to give holders of Company Common Stock and Parent the same economic effect as contemplated by this Agreement prior to such event; provided, that nothing contained herein shall be construed to permit Parent or the Company to take any action with respect to its securities or otherwise that is prohibited by the terms of this Agreement.

(c) At the Effective Time, all shares of Company Common Stock that are directly owned by the Company or Parent (in each case, other than (i) shares of Company Common Stock held in trust accounts, managed accounts, mutual funds and the like, or otherwise held in a fiduciary or agency capacity, that are beneficially owned by third parties or (ii) shares of Company Common Stock held, directly or indirectly, by Parent or the Company in respect of a debt previously contracted) shall be cancelled and shall cease to exist and no Merger Consideration or other consideration shall be delivered in exchange therefor (such cancelled shares, the "Cancelled Shares").

(d) Notwithstanding anything in this Agreement to the contrary, all shares of Company Common Stock that are issued and outstanding immediately prior to the Effective Time and that are held by a holder of Company Common Stock who did not vote in favor of this Agreement or the Merger (or consent thereto in writing) and who exercises dissenters' rights when and in the manner required under Chapter 23B.13 of the WBCA (the "Dissenting Shares"), shall not be converted into or be exchangeable for the right to receive the Merger Consideration, but instead such holder shall be entitled to only such rights as are granted with respect to the payment of the fair value of such shares under the applicable provisions of Chapter 23B.13 of the WBCA (and at the Effective Time, such Dissenting Shares shall no longer be outstanding and shall automatically be cancelled and shall cease to exist, and such holder shall cease to have any rights with respect thereto, except the rights provided for pursuant to the applicable provisions of Chapter 23B.13 of the WBCA and this Section 1.5(d)), unless and until such holder shall have failed to perfect or shall have effectively withdrawn or lost rights to demand or receive the fair value of such shares of Company Common Stock under the WBCA. If any shareholder dissenting pursuant to Chapter 23B.13 of the WBCA and this Section 1.5(d) shall have failed to perfect or shall have effectively withdrawn or lost any such right, such holder's shares of Company Common Stock shall thereupon be treated as if they had been converted into and become exchangeable for the right to receive, as of the Effective Time, the Merger Consideration for each such share of Company Common Stock, in accordance with Section 1.5(a), without any interest thereon. The Company shall give Parent (i) prompt notice of any written notices the Company receives from or on behalf of its shareholders to exercise dissenters' rights in respect of any shares of Company Common Stock, attempted withdrawals of such notices and any other instruments served pursuant to Chapter 23B.13 of the WBCA and received by the Company

relating to shareholders' dissenters' rights and (ii) the opportunity to participate in negotiations and proceedings with respect to demands for fair value under Chapter 23B.13 of the WBCA. The Company shall not, except with the prior written consent of Parent, make any payment with respect to, or settle, or offer or agree to settle, any such demand. Any Merger Consideration made available to the Exchange Agent to exchange for shares of Company Common Stock for which dissenters' rights have been perfected shall be returned to Parent upon demand.

1.6 Parent Common Stock. At and after the Effective Time, each share of Parent Common Stock issued and outstanding immediately prior to the Effective Time shall remain an issued and outstanding share of common stock of the Surviving Corporation and shall not be affected by the Merger.

1.7 Treatment of Company Equity Awards.

(a) Company Stock Options. At the Effective Time, each compensatory option to purchase Company Common Stock granted by the Company (a "Company Option") that is outstanding as of immediately prior to the Effective Time shall fully vest (to the extent unvested) and shall be cancelled and converted into the right to receive a cash payment, without interest and less applicable withholding taxes, equal to the product of (i) the number of shares of Company Common Stock subject to the Company Option as of immediately prior to the Effective Time and (ii) the excess, if any, of the Merger Consideration Value over the exercise price per share of Company Common Stock subject to such Company Option as of the Effective Time. If the per share exercise price of a Company Option that is outstanding as of immediately prior to the Effective Time is equal to or greater than the Merger Consideration Value, then such Company Option shall be cancelled at the Effective Time for no consideration. For purposes of this Agreement, "Merger Consideration Value" means the product of (A) the Exchange Ratio and (B) the Parent Share Closing Price.

(b) At or prior to the Effective Time, the Company, the Board of Directors of the Company and its Compensation Committee, as applicable, shall adopt any resolutions and take any actions that are necessary to effectuate the provisions of this Section 1.7, including providing notice to the holders of Company Options in accordance with Section 6(l) of the Amended and Restated 2005 Incentive Stock Plan of the Company (which notice shall be in a form mutually agreed by the Company and Parent).

1.8 Articles of Incorporation of the Surviving Corporation. At the Effective Time, the Amended and Restated Articles of Incorporation of Parent (the "Parent Articles"), as in effect immediately prior to the Effective Time, shall be the Articles of Incorporation of the Surviving Corporation, until thereafter duly amended in accordance with the terms thereof and applicable law.

1.9 Bylaws of the Surviving Corporation. At the Effective Time, the Bylaws of Parent (the "Parent Bylaws"), as in effect immediately prior to the Effective Time, shall be the Bylaws of the Surviving Corporation, until thereafter duly amended in accordance with the terms thereof and applicable law.

1.10 Tax Consequences. It is intended that the Merger shall qualify as a "reorganization" within the meaning of Section 368(a) of the Code, and that this Agreement is intended to be and is adopted as a "plan of reorganization" for the purposes of Sections 354 and 361 of the Code.

1.11 Bank Merger. Immediately following the Merger, Skagit Bank ("Company Bank"), a Washington state-chartered commercial bank and a wholly owned Subsidiary of the Company, will merge (the "Bank Merger") with and into Banner Bank ("Parent Bank"), a Washington state-chartered commercial bank and a wholly owned Subsidiary of Parent. Parent Bank shall be the surviving entity in the Bank Merger and, following the Bank Merger, the separate corporate existence of Company Bank shall cease. The parties agree that the Bank Merger shall become effective immediately after the Effective Time. Promptly after the date of this Agreement, Parent and the Company shall cause Parent Bank and Company Bank, respectively, to enter into an agreement and plan of merger in form and substance agreed to by Parent and the Company, which shall be customary for mergers similar to the Bank Merger (the "Bank Merger Agreement"), and Parent, as the sole shareholder of Parent Bank, and the Company, as the sole shareholder of Company Bank, shall each approve and adopt the Bank Merger Agreement. The Company shall cause Company Bank, and Parent shall cause Parent Bank, to execute such articles of merger and such other documents and certificates as are necessary to make the Bank Merger effective ("Bank Merger Articles") immediately following the Effective Time.

1.12 Determination of Adjusted Shareholders' Equity.

(a) For purposes of this Agreement, "Adjusted Shareholders' Equity" means the consolidated stockholders' equity of the Company as set forth in the Final Closing Statement prepared in accordance with, and subject to adjustment as set forth in, Section 1.12, minus any declared but unpaid dividends as of the Shareholders' Equity Measuring Date (or thereafter declared), plus the sum of (i) all fees and expenses of all attorneys, accountants, investment bankers and other advisors and agents for the Company for services rendered in connection with the transactions contemplated by this Agreement, (ii) any employee severance, retention or change-in-control payments or expenses consistent with the terms of this Agreement, (iii) any payment made or expense accrued for the purchase of a directors' and officers' liability insurance policy pursuant to Section 6.7(b), and (iv) other third-party costs, fees and expenses in an aggregate amount not to exceed \$50,000, in each case of clauses (i)-(iv) specifically incurred or accrued by the Company in connection with the transactions contemplated hereby (as outlined in the example Interim Closing Statement set forth in Section 1.12(b) of the Company Disclosure Schedules) (collectively, "Transaction Costs"), and in each case, paid by the Company or payable by the Company prior to the Effective Time to the extent reflected as accrued liabilities in the Final Closing Statement.

(b) Not later than five (5) days after each month-end during the period from the date of this Agreement until the Final Closing Statement is delivered to Parent, the Company shall, in consultation with Parent and consistent with past practice, prepare in good faith and deliver to Parent (i) the Company's consolidated financial statements presenting (x) the financial condition of the Company and its Subsidiaries on a consolidated basis as of the close of business on the last day of such month-end and (y) the Company's and its Subsidiaries' consolidated

results of operations for the period from January 1, 2018 through the close of business on the last day of such month-end and (ii) a statement setting forth Adjusted Shareholders' Equity as if such month-end were the Shareholders' Equity Measuring Date (each such statement, an "Interim Closing Statement"). Each Interim Closing Statement shall have been prepared in accordance with GAAP and other applicable legal and accounting requirements, and reflect all period-end accruals and other adjustments and shall also reflect accruals for all Transaction Costs or other liabilities incurred or expected to be incurred at any time at or prior to the Closing, including in connection with the transactions contemplated by this Agreement (whether or not doing so is in accordance with GAAP). An example Interim Closing Statement for the month ended June 30, 2018 that satisfies the foregoing requirements (including a proper calculation of Adjusted Shareholders' Equity) is set forth in Section 1.12(b) of the Company Disclosure Schedules. In the event Parent notifies the Company that it disputes any part of any Interim Closing Statement (including Adjusted Shareholders' Equity stated therein), the Company shall cooperate with Parent in good faith to resolve such dispute as promptly as possible.

(c) Not later than five (5) days after the end of the month preceding the month that includes the Anticipated Closing Date, the Company shall, in consultation with Parent, prepare in good faith and deliver to Parent an updated Interim Closing Statement as of and through the close of business on the last day of the month-end immediately preceding the Anticipated Closing Date (such statement as it may be adjusted in accordance with Section 1.12(f), the "Final Closing Statement"); provided, however, that if the Anticipated Closing Date is in the first eight (8) days of a calendar month, then the Final Closing Statement shall be prepared as of the month-end of the second month preceding the Anticipated Closing Date (*i.e.*, if the Anticipated Closing Date is on October 1, then the Final Closing Statement shall be prepared as of and through August 31) (the date which the Final Closing Statement is as of and through, the "Shareholders' Equity Measuring Date"). Such Final Closing Statement shall be prepared in a manner consistent with the Interim Closing Statements, and for the avoidance of doubt, shall set forth Adjusted Shareholders' Equity as of the Shareholders' Equity Measuring Date. The Company shall also deliver to Parent a certificate of the Company's chief financial officer, dated as of the Closing Date, to the effect that the financial statements set forth in the Final Closing Statement continue to reflect accurately, as of the Closing Date, the financial condition of the Company and its Subsidiaries in all material respects and meet the requirements of this Section 1.12(c). For purposes of this Agreement, "Anticipated Closing Date" means the date on which the Closing is expected to occur based on the provisions of Section 1.2, as reasonably agreed in good faith and confirmed in writing by Parent and Company as promptly as practicable.

(d) Parent shall have the right to review, and shall have reasonable access to, all relevant books and records, work papers, schedules, memoranda and other documents prepared by the Company or its Subsidiaries or its and their respective accountants in connection with the Company's preparation of the Interim Closing Statements and the Final Closing Statement, as well as to executive, finance and accounting personnel of the Company and its Subsidiaries and any other information which Parent may reasonably request in connection with its review of the Interim Closing Statements and the Final Closing Statement. The Company will, and will cause its Subsidiaries and its and their accountants and other representatives to, cooperate with and assist Parent and its accountants and other representatives in the review of the Interim Closing Statements and the Final Closing Statement.

(e) In the event Parent disputes the Final Closing Statement (including Adjusted Shareholders' Equity set forth therein), Parent shall, no later than the later of (i) three (3) days after receiving the Final Closing Statement and (ii) two (2) days prior to the Anticipated Closing Date, give the Company written notice of its objections thereto (the "Objection Notice"), describing the nature of the dispute in reasonable detail and specifying those items and amounts as to which Parent disagrees and, based on the information at its disposal, specifying Parent's proposed calculation of Adjusted Shareholders' Equity. If Parent does not timely deliver an Objection Notice prior to the date specified in the previous sentence, Adjusted Shareholders' Equity set forth in the Final Closing Statement delivered by the Company shall be utilized for the calculation of the adjustment to the Exchange Ratio pursuant to Section 1.13 and shall be final and binding on all the parties. Any items or amounts set forth in the Final Closing Statement as to which Parent does not disagree in the Objection Notice shall be final and binding on all the parties.

(f) If Parent timely delivers an Objection Notice, Parent and the Company shall cooperate in good faith to resolve such dispute, and if resolved, the Final Closing Statement and Adjusted Shareholders' Equity as determined by Parent and the Company in writing shall be utilized for calculation of the adjustment to the Exchange Ratio pursuant to Section 1.13 and shall be final and binding on all the parties. If Parent and the Company cannot resolve the dispute within five (5) days after the date of the Objection Notice (the "Negotiation Period"), Parent and the Company shall appoint a mutually acceptable independent accounting firm of national or regional reputation (the "Independent Accounting Firm") to promptly review this Agreement and the disputed items in the Objection Notice and arbitrate the dispute and determine the Final Closing Statement and Adjusted Shareholders' Equity. The Independent Accounting Firm shall be given reasonable access to all records, work papers, schedules, memoranda and other documents relevant to such dispute. The Independent Accounting Firm shall be limited to addressing only the particular disputes referred to in the Objection Notice that have not been resolved by Parent and the Company and shall determine such disputed amounts, the Final Closing Statement, and Adjusted Shareholders' Equity in accordance with the provisions of this Agreement. Upon reaching its determination of the Final Closing Statement and Adjusted Shareholders' Equity based on its determination of the disputed items, the Independent Accounting Firm shall deliver a copy of its calculation of the Final Closing Statement and Adjusted Shareholders' Equity to Parent and the Company. The determination of the Independent Accounting Firm shall be made within twenty (20) days after its engagement (which engagement shall be made no later than five (5) days after the end of the Negotiation Period) and shall be final and binding on all the parties. No party or its affiliates shall seek further recourse to courts, other tribunals or otherwise, other than to enforce the final decision of the Independent Accounting Firm as to the determination of the Final Closing Statement and Adjusted Shareholders' Equity. The aggregate fees, expenses and costs of the Independent Accounting Firm shall be borne (i) by Parent, if the difference, in absolute value terms, between Adjusted Shareholders' Equity as finally determined and Adjusted Shareholders' Equity set forth in the Objection Notice is greater than the difference, in absolute value terms, between Adjusted Shareholders' Equity as finally determined and Adjusted Shareholders' Equity set forth in the Final Closing Statement as delivered by the Company to Parent and (ii) otherwise by the Company, in the form of a reduction to Adjusted Shareholders' Equity for purposes of calculating the adjustment to the Exchange Ratio pursuant to Section 1.13. For the avoidance of doubt, the dispute resolution process contemplated by Section 1.12(e) and Section 1.12(f) shall

be only to determine the disputed items reflected on the Final Closing Statement and necessary to the calculation of Adjusted Shareholders' Equity as of the Shareholders' Equity Measuring Date, regardless of the date on which the Independent Accounting Firm delivers its calculation.

1.13 Exchange Ratio Adjustment.

(a) If Adjusted Shareholders' Equity, as finally determined pursuant to Section 1.12, is greater than or equal to \$80,000,000, there shall be no adjustment to the Exchange Ratio, and to the extent Adjusted Shareholders' Equity, as finally determined pursuant to Section 1.12, exceeds \$80,000,000, the Company may, in accordance with Section 6.17, declare and pay a special cash dividend immediately prior to the Closing, in an amount not to exceed such excess.

(b) If Adjusted Shareholders' Equity, as finally determined pursuant to Section 1.12, is less than \$80,000,000, the Exchange Ratio shall be reduced by the Exchange Ratio Reduction Amount.

(c) For purposes of this Agreement (i) the term "Exchange Ratio Reduction Amount" shall mean an amount, rounded to the ten-thousandth decimal point, equal to (A) the Shareholders' Equity Shortfall, *divided by* (B) the number of shares of Company Common Stock issued and outstanding immediately prior to the Effective Time (other than Cancelled Shares), *divided by* (C) the Parent Share Closing Price and (ii) the term "Shareholders' Equity Shortfall" shall mean the absolute value of the amount by which Adjusted Shareholders' Equity, as finally determined pursuant to Section 1.12, is less than \$80,000,000.

ARTICLE II

EXCHANGE OF SHARES

2.1 Parent to Make Merger Consideration Available. At or prior to the Effective Time, Parent shall deposit, or shall cause to be deposited, with an exchange agent designated by Parent and reasonably acceptable to the Company (the "Exchange Agent"), for the benefit of the holders of Old Certificates, for exchange in accordance with this Article II, (a) certificates or, at Parent's option, evidence of shares in book-entry form, representing the shares of Parent Common Stock (collectively, referred to herein as "New Certificates"), to be delivered to the holders of Company Common Stock pursuant to Section 1.5, and (b) any cash in lieu of fractional shares required to be paid to holders of Company Common Stock pursuant to this Article II (such New Certificates and cash, together with any dividends or distributions with respect thereto, being hereinafter referred to as the "Exchange Fund").

2.2 Exchange of Shares.

(a) As promptly as practicable after the Effective Time, but in no event later than five (5) business days thereafter, Parent shall cause the Exchange Agent to mail to each holder of record of one or more Old Certificates representing shares of Company Common Stock immediately prior to the Effective Time that have been converted at the Effective Time into the right to receive the Merger Consideration pursuant to Article I, (i) a letter of transmittal, which shall specify that delivery shall be effected, and risk of loss and title to the Old Certificates shall

pass, only upon proper delivery of the Old Certificates to the Exchange Agent (the "Letter of Transmittal") and (ii) instructions for use in effecting the surrender of the Old Certificates in exchange for New Certificates representing the number of whole shares of Parent Common Stock and any cash in lieu of fractional shares which the shares of Company Common Stock represented by such Old Certificates shall have been converted into the right to receive pursuant to this Agreement, as well as any dividends or distributions to be paid in respect thereof pursuant to Section 2.2(b). Upon proper surrender of an Old Certificate or Old Certificates for exchange and cancellation to the Exchange Agent, accompanied by a properly completed Letter of Transmittal, duly executed, the holder of such Old Certificate or Old Certificates shall be entitled to receive in exchange therefor, as applicable, (i) a New Certificate representing that number of whole shares of Parent Common Stock to which such holder of Company Common Stock shall have become entitled pursuant to the provisions of Article I and (ii) a check representing the amount of (A) any cash in lieu of fractional shares that such holder has the right to receive in respect of the Old Certificate or Old Certificates surrendered pursuant to the provisions of this Article II and (B) any dividends or distributions that the holder presenting such Old Certificate or Old Certificates has the right to receive pursuant to this Section 2.2, and the Old Certificate or Old Certificates so surrendered shall forthwith be cancelled. No interest will be paid or accrued on any Merger Consideration, dividends or distributions or cash in lieu of fractional shares payable to holders of Old Certificates. Until surrendered as contemplated by this Section 2.2, each Old Certificate shall be deemed at any time after the Effective Time to represent only the right to receive, upon surrender, the Merger Consideration and any cash in lieu of fractional shares or in respect of dividends or distributions as contemplated by this Section 2.2.

(b) No dividends or other distributions declared with respect to Parent Common Stock shall be paid to the holder of any unsurrendered Old Certificate until such holder shall surrender such Old Certificate in accordance with this Article II. After the surrender of an Old Certificate in accordance with this Article II, the record holder thereof shall be entitled to receive any such dividends or other distributions, without any interest thereon, which theretofore had become payable with respect to the whole shares of Parent Common Stock that the shares of Company Common Stock represented by such Old Certificate have been converted into the right to receive.

(c) If any New Certificate representing shares of Parent Common Stock is to be issued in a name other than that in which the Old Certificate or Old Certificates surrendered in exchange therefor is or are registered, it shall be a condition of the issuance thereof that the Old Certificate or Old Certificates so surrendered shall be properly endorsed (or accompanied by an appropriate instrument of transfer) and otherwise in proper form for transfer, and that the person requesting such exchange shall pay in advance any transfer or other similar Taxes required by reason of the issuance of a New Certificate representing shares of Parent Common Stock in any name other than that of the registered holder of the Old Certificate or Old Certificates surrendered, or required for any other reason, or shall establish to the satisfaction of Parent and the Exchange Agent that such Tax has been paid or is not payable.

(d) After the Effective Time, there shall be no transfers on the stock transfer books of the Company of the shares of Company Common Stock that were issued and outstanding immediately prior to the Effective Time. If, after the Effective Time, Old

Certificates representing such shares are presented for transfer to the Exchange Agent, they shall be cancelled and exchanged for the Merger Consideration as provided in this Article II.

(e) Notwithstanding anything to the contrary contained herein, no New Certificates or scrip representing fractional shares of Parent Common Stock shall be issued upon the surrender for exchange of Old Certificates, no dividend or distribution with respect to Parent Common Stock shall be payable on or with respect to any fractional share, and such fractional share interests shall not entitle the owner thereof to vote or to any other rights of a shareholder of Parent. In lieu of the issuance of any such fractional share, Parent shall pay to each former holder of Company Common Stock who otherwise would be entitled to receive such fractional share an amount in cash (rounded to the nearest cent) determined by *multiplying* (i) the average of the closing price per share of Parent Common Stock on the NASDAQ Global Select Market (the "NASDAQ") as reported by www.nasdaq.com for the consecutive period of five (5) full trading days immediately preceding (but not including) the date that is the second (2nd) business day prior to the Closing Date (or, if not reported therein, in another authoritative source mutually agreed upon by Parent and the Company) (the "Parent Share Closing Price") by (ii) the fraction of a share (after taking into account all shares of Company Common Stock held by such holder immediately prior to the Effective Time and rounded to the nearest one-thousandth when expressed in decimal form) of Parent Common Stock to which such holder would otherwise be entitled to receive pursuant to Section 1.5. The parties acknowledge that payment of such cash consideration in lieu of issuing fractional shares is not separately bargained-for consideration, but merely represents a mechanical rounding off for purposes of avoiding the expense and inconvenience that would otherwise be caused by the issuance of fractional shares.

(f) Any portion of the Exchange Fund that remains unclaimed by the holders of Company Common Stock for six (6) months after the Effective Time shall be delivered to the Surviving Corporation. Any former holders of Company Common Stock who have not theretofore exchanged their Old Certificates in compliance with this Article II shall thereafter look only to the Surviving Corporation for payment of the Merger Consideration, cash in lieu of any fractional shares and any unpaid dividends and distributions on the Parent Common Stock deliverable in respect of each former share of Company Common Stock such shareholder holds as determined pursuant to this Agreement, in each case, without any interest thereon. Notwithstanding the foregoing, none of Parent, the Company, the Surviving Corporation, the Exchange Agent or any other person shall be liable to any former holder of Company Common Stock for any amount delivered in good faith to a public official pursuant to applicable abandoned property, escheat or similar laws.

(g) Parent shall be entitled to deduct and withhold, or cause the Exchange Agent to deduct and withhold, from any Merger Consideration, cash in lieu of fractional shares of Parent Common Stock, cash dividends or distributions payable pursuant to Section 2.2(b) or any other amounts otherwise payable pursuant to this Agreement to any holder of Company Common Stock or Company Equity Awards such amounts as it is required to deduct and withhold with respect to the making of such payment under the Code or any provision of state, local or foreign Tax law. To the extent that amounts are so withheld by Parent or the Exchange Agent, as the case may be, and paid over to the appropriate governmental authority, the withheld amounts shall be treated for all purposes of this Agreement as having been paid to the holder in

respect of which the deduction and withholding was made by Parent or the Exchange Agent, as the case may be.

(h) In the event any Old Certificate shall have been lost, stolen or destroyed, upon the making of an affidavit of that fact by the person claiming such Old Certificate to be lost, stolen or destroyed and, if reasonably required by Parent or the Exchange Agent, the posting by such person of a bond in such amount as Parent or the Exchange Agent may determine is reasonably necessary as indemnity against any claim that may be made against it with respect to such Old Certificate, the Exchange Agent will issue in exchange for such lost, stolen or destroyed Old Certificate the Merger Consideration and any cash in lieu of fractional shares, deliverable in respect thereof pursuant to this Agreement, and any dividends or distributions to which such holder is entitled pursuant to Section 2.2(b).

(i) Subject to the terms of this Agreement, Parent, in the exercise of its reasonable discretion, shall have the right to make all determinations, not inconsistent with the terms of this Agreement, governing (i) the validity of any Letter of Transmittal and compliance by any holder of Company Common Stock with the procedures and instructions set forth herein and therein, (ii) the issuance and delivery of the whole number of shares of Parent Common Stock into which shares of Company Common Stock are converted in the Merger and (iii) the method of payment of cash in lieu of fractional shares of Parent Common Stock.

ARTICLE III

REPRESENTATIONS AND WARRANTIES OF THE COMPANY

Except as disclosed in the applicable section of the disclosure schedule delivered by the Company to Parent concurrently herewith (the "Company Disclosure Schedules"); provided that (i) no such item is required to be set forth as an exception to a representation or warranty if its absence would not result in the related representation or warranty being deemed untrue or incorrect, (ii) the mere inclusion of an item in the Company Disclosure Schedules as an exception to a representation or warranty shall not be deemed an admission by the Company that such item represents a material exception or fact, event or circumstance or that such item is reasonably likely to result in a Material Adverse Effect and (iii) any disclosures made with respect to a section of Article III shall be deemed to qualify (a) any other section of Article III specifically referenced or cross-referenced and (b) other sections of Article III to the extent it is reasonably apparent on its face (notwithstanding the absence of a specific cross reference) from a reading of the disclosure that such disclosure applies to such other sections, the Company hereby represents and warrants to Parent as follows:

3.1 Corporate Organization.

(a) The Company is a corporation duly organized, validly existing and in good standing under the laws of the State of Washington, and is a bank holding company duly registered under the Bank Holding Company Act of 1956, as amended ("BHC Act"). The Company has the corporate power and authority to own, lease or operate all of its properties and assets and to carry on its business as it is now being conducted. The Company is duly licensed or qualified to do business and in good standing in each jurisdiction in which the nature of the

business conducted by it or the character or location of the properties and assets owned or leased by it makes such licensing or qualification necessary, except where the failure to be so licensed or qualified or to be in good standing would not, either individually or in the aggregate, reasonably be expected to have a Material Adverse Effect on the Company. As used in this Agreement, the term "Material Adverse Effect" means, with respect to Parent, the Company or the Surviving Corporation, as the case may be, any effect, change, event, circumstance, condition, occurrence or development that, either individually or in the aggregate, has had or would reasonably be expected to have a material adverse effect on (i) the business, properties, assets, liabilities, results of operations or condition (financial or otherwise) of such party and its Subsidiaries taken as a whole (provided, however, that, with respect to this clause (i), Material Adverse Effect shall not be deemed to include the impact of (A) changes, after the date hereof, in U.S. generally accepted accounting principles ("GAAP") or applicable regulatory accounting requirements or the enforcement, implementation or interpretation thereof, (B) changes, after the date hereof, in laws, rules or regulations of general applicability to companies in the industries in which such party and its Subsidiaries operate, (C) changes, after the date hereof, in global, national or regional political conditions (including the outbreak of war or acts of terrorism) or in economic or market conditions affecting the financial services industry generally and not specifically relating to such party or its Subsidiaries, including any disruption in any financial, banking or securities markets in general and any decline in the price of any market index or any change in prevailing interest rates, (D) changes relating to or arising out of the public disclosure of this Agreement or of the transactions contemplated hereby (provided that this exception shall not apply for purposes of the representations and warranties in Section 3.3(b) or Section 4.3(b)), (E) a failure, in and of itself, to meet earnings projections or internal financial forecasts, but not including any underlying causes thereof, or changes in the trading price of Company Common Stock or Parent Common Stock (as applicable), in and of itself, but not including any underlying causes thereof or (F) actions that are taken with the express prior written consent of the other party in contemplation of the transactions contemplated hereby; except, with respect to subclauses (A), (B), or (C), to the extent that the effects of such change are disproportionately adverse to such party and its Subsidiaries, taken as a whole, as compared to other companies in the industries in which such party and its Subsidiaries operate) or (ii) the ability of such party to consummate the transactions contemplated hereby. As used in this Agreement, the word "Subsidiary" when used with respect to any person, means any corporation, partnership, limited liability company, bank, trust, association, joint venture or other organization, whether incorporated or unincorporated, or person of which (i) such first person directly or indirectly owns or controls at least a majority of the securities or other interests having by their terms ordinary voting power to elect a majority of the board of directors or others performing similar functions or (ii) such first person is or directly or indirectly has the power to appoint a general partner, manager or managing member or others performing similar functions. True and complete copies of the Amended and Restated Articles of Incorporation of the Company (the "Company Articles") and the Amended and Restated Bylaws of the Company (the "Company Bylaws"), as in effect as of the date of this Agreement, have previously been made available by the Company to Parent. The Company is not in violation of any of the provisions of the Company Articles or the Company Bylaws.

(b) Each Subsidiary of the Company (a "Company Subsidiary") (i) is duly organized and validly existing under the laws of its jurisdiction of organization, (ii) is duly licensed or qualified to do business and, where such concept is recognized under applicable law,

in good standing in all jurisdictions (whether federal, state, local or foreign) in which the nature of the business conducted by it or the character or location of the properties and assets owned or leased by it makes such licensing or qualification necessary and in which the failure to be so licensed or qualified or in good standing would reasonably be expected, either individually or in the aggregate, to have a Material Adverse Effect on the Company and (iii) has all requisite corporate power and authority to own, lease or operate its properties and assets and to carry on its business as now conducted. There are no restrictions on the ability of any Subsidiary of the Company to pay dividends or distributions, except in the case of a Subsidiary that is a regulated entity, for restrictions on dividends or distributions generally applicable to all such regulated entities. The deposit accounts of each Subsidiary of the Company that is an insured depository institution are insured by the Federal Deposit Insurance Corporation (the "FDIC") through the Deposit Insurance Fund (as defined in Section 3(y) of the Federal Deposit Insurance Act of 1950) to the fullest extent permitted by law, all premiums and assessments required to be paid in connection therewith have been paid when due, and no proceedings for the termination of such insurance are pending or threatened. No Company Subsidiary is in violation of any of the provisions of the articles or certificate of incorporation or bylaws (or comparable organizational documents) of such Company Subsidiary.

3.2 Capitalization.

(a) The authorized capital stock of the Company consists of 5,000,000 shares of Company Common Stock, without par value. As of the date of this Agreement, there are (i) 544,257 shares of Company Common Stock issued and outstanding, which number includes 528 shares of Company Common Stock granted in respect of outstanding awards of Company Common Stock subject to vesting, repurchase or other lapse restriction ("Company Restricted Stock Awards") (all of which will vest by the terms thereof in September 2018 or upon a change in control, subject to continued employment), (ii) no shares of Company Common Stock held in treasury, (iii) 6,935 shares of Company Common Stock subject to and reserved for issuance upon the exercise of outstanding Company Options (which Company Options have a weighted average exercise price of \$190.13 per share of Company Common Stock), and (iv) no other shares of capital stock or other voting securities or equity interests of the Company issued, reserved for issuance or outstanding. All of the issued and outstanding shares of Company Common Stock have been duly authorized and validly issued and are fully paid, nonassessable and free of preemptive rights, with no personal liability attaching to the ownership thereof. There are no bonds, debentures, notes or other indebtedness or instruments that have the right to vote on any matters on which shareholders of the Company may vote, and no trust preferred or debt securities of the Company are issued or outstanding. Other than the Company Options and Company Restricted Stock Awards (collectively, the "Company Equity Awards") issued prior to the date of this Agreement and set forth in this Section 3.2(a), there are no outstanding subscriptions, options, warrants, stock appreciation rights, phantom units, scrip, rights to subscribe to, preemptive rights, anti-dilutive rights, rights of first refusal or similar rights, puts, calls, commitments or agreements of any character whatsoever relating to, or securities or rights convertible into or exchangeable or exercisable for, shares of capital stock or other voting or equity securities of or ownership interests in the Company, or contracts, commitments, understandings or arrangements by which the Company may become bound to issue additional shares of its capital stock or other equity or voting securities of or ownership interests in the Company, or otherwise obligating the Company to issue, transfer, sell, purchase, redeem or

otherwise acquire, or register under the Securities Act of 1933, as amended (the "Securities Act"), any of the foregoing (collectively, "Company Securities"). Section 3.2(a) of the Company Disclosure Schedules sets forth a true, correct and complete list of all Company Equity Awards outstanding as of the date hereof specifying, on a holder-by-holder basis, as applicable, (A) the name of each holder, (B) the number of shares subject to each such Company Equity Award, (C) the grant date of each such Company Equity Award, (D) the Company Benefit Plan under which such Company Equity Award was granted, (E) the exercise price for each such Company Equity Award that is a Company Option, and (F) the expiration date for each such Company Equity Award that is a Company Option. Other than the Company Equity Awards, no equity-based awards (including any cash awards where the amount of payment is determined, in whole or in part, based on the price of any capital stock of the Company or any of its Subsidiaries) are outstanding. No Subsidiary of the Company owns any capital stock of the Company. Neither the Company nor any of its Subsidiaries is required to file with or furnish to the SEC any reports.

(b) Other than the Voting Agreements, there are no voting trusts, shareholder agreements, proxies or other agreements in effect to which the Company or any of its Subsidiaries is a party with respect to the voting or transfer of the Company Common Stock, capital stock or other voting or equity securities or ownership interests of the Company or granting any shareholder or other person any registration rights. The Company does not have in effect a "poison pill" or similar shareholder rights plan.

(c) Section 3.2(c) of the Company Disclosure Schedules sets forth a true and complete list of all Subsidiaries of the Company. The Company owns, directly or indirectly, all of the issued and outstanding shares of capital stock or other equity ownership interests of each of the Company Subsidiaries, free and clear of any liens, claims, title defects, mortgages, pledges, charges, encumbrances and security interests whatsoever ("Liens"), and all of such shares or equity ownership interests are duly authorized and validly issued and are fully paid, nonassessable (except, with respect to bank Subsidiaries, as provided under 12 U.S.C. §55 or any comparable provision of applicable state law) and free of preemptive rights, with no personal liability attaching to the ownership thereof. Other than the shares of capital stock or other equity ownership interests described in the previous sentence, there are no outstanding subscriptions, options, warrants, stock appreciation rights, phantom units, scrip, rights to subscribe to, preemptive rights, anti-dilutive rights, rights of first refusal or similar rights, puts, calls, commitments or agreements of any character whatsoever relating to, or securities or rights convertible into or exchangeable or exercisable for, shares of capital stock or other voting or equity securities of or ownership interests in any Company Subsidiary, or contracts, commitments, understandings or arrangements by which any Company Subsidiary may become bound to issue additional shares of its capital stock or other equity or voting securities or ownership interests in such Company Subsidiary, or otherwise obligating any Company Subsidiary to issue, transfer, sell, purchase, redeem or otherwise acquire, or register under the Securities Act, any of the foregoing (collectively, "Company Subsidiary Securities"). Except for its interests in the Company Subsidiaries, the Company does not own, directly or indirectly, any capital stock, membership interest, partnership interest, joint venture interest or other equity interest in any person.

3.3 Authority; No Violation.

(a) The Company has full corporate power and authority to execute and deliver this Agreement and to consummate the transactions contemplated hereby. The execution and delivery of this Agreement and the consummation of the Merger have been duly and validly approved by the Board of Directors of the Company. The Board of Directors of the Company has determined that the Merger, on the terms and conditions set forth in this Agreement, is in the best interests of the Company and its shareholders, and has directed that this Agreement and the transactions contemplated hereby be submitted to the shareholders of the Company for approval at a meeting of such shareholders and has adopted a resolution to the foregoing effect and recommending that the shareholders of the Company approve this Agreement and the transactions contemplated hereby. Except for the adoption and approval of this Agreement by the affirmative vote of the holders of two-thirds of the outstanding shares of Company Common Stock (the "Requisite Company Vote"), and the adoption and approval of the Bank Merger Agreement by the Board of Directors of Company Bank and the Company as its sole shareholder, no other corporate proceedings on the part of the Company are necessary to approve this Agreement or to consummate the transactions contemplated hereby. This Agreement has been duly and validly executed and delivered by the Company and (assuming due authorization, execution and delivery by Parent) constitutes a valid and binding obligation of the Company, enforceable against the Company in accordance with its terms (except in all cases as such enforceability may be limited by bankruptcy, insolvency, fraudulent transfer, moratorium, reorganization or similar laws of general applicability relating to or affecting insured depository institutions or the rights of creditors generally and the availability of equitable remedies (the "Enforceability Exceptions")).

(b) Neither the execution and delivery of this Agreement by the Company nor the consummation by the Company of the transactions contemplated hereby, nor compliance by the Company with any of the terms or provisions hereof, will (i) violate any provision of the Company Articles or the Company Bylaws or the articles or certificate of incorporation or bylaws (or similar organizational documents) of any Company Subsidiary or (ii) assuming that the consents and approvals referred to in Section 3.4 are duly obtained, (x) violate any law, statute, code, ordinance, rule, regulation, judgment, order, writ, decree or injunction applicable to the Company or any of its Subsidiaries or any of their respective properties or assets or (y) violate, conflict with, result in a breach of any provision of or the loss of any benefit under, constitute a default (or an event which, with notice or lapse of time, or both, would constitute a default) under, result in the termination of or a right of termination or cancellation under, accelerate the performance required by or rights or obligations under, require consent under or result in the creation of any Lien upon any of the respective properties or assets of the Company or any of its Subsidiaries under, any of the terms, conditions or provisions of any note, bond, mortgage, indenture, deed of trust, license, lease, contract, agreement or other instrument or obligation to which the Company or any of its Subsidiaries is a party, or by which they or any of their respective properties or assets may be bound or affected, except (in the case of clause (y) above) for such violations, conflicts, breaches or defaults that, either individually or in the aggregate, would not reasonably be expected to have a Material Adverse Effect on the Company.

3.4 Consents and Approvals. Except for (a) the filing of any required applications, filings and notices, as applicable, with the Board of Governors of the Federal

Reserve System (the "Federal Reserve Board") under the BHC Act and approval of such applications, filings and notices, (b) the filing of any required applications, filings or notices, as applicable, with the FDIC and the Washington State Department of Financial Institutions, Division of Banks (the "DFI") and any state banking authorities listed on Section 3.4 of the Company Disclosure Schedules or Section 4.4 of the Parent Disclosure Schedules, and approval of such applications, filings and notices, (c) the filing with the Securities and Exchange Commission (the "SEC") of a registration statement on Form S-4 (including any amendments and supplements thereto, the "S-4") in which a proxy statement in definitive form relating to the Company Meeting to be held in connection with this Agreement and the transactions contemplated hereby (including any amendments or supplements thereto, the "Proxy Statement") will be included as a prospectus, to be filed with the SEC by Parent in connection with the transactions contemplated by this Agreement and declaration of effectiveness of the S-4, (d) the filing of the Articles of Merger with the Washington Secretary pursuant to the WBCA, and the filing of the Bank Merger Articles, (e) if required by the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended (the "HSR Act"), the filing of any notices or other filings under the HSR Act, (f) such filings and approvals as are required to be made or obtained under the securities or "Blue Sky" laws of various states in connection with the issuance of shares of Parent Common Stock pursuant to this Agreement and (g) the approval of the listing of such shares of Parent Common Stock on the NASDAQ, no consents or approvals of or filings or registrations with any court, administrative agency or commission or other governmental or regulatory authority or instrumentality or SRO (each, a "Governmental Entity") are necessary in connection with (A) the execution and delivery by the Company of this Agreement or (B) the consummation by the Company of the Merger and the other transactions contemplated hereby (including the Bank Merger). As of the date hereof, the Company is not aware of any reason why the necessary regulatory approvals and consents will not be received to permit consummation of the Merger, the Bank Merger and the other transactions contemplated by this Agreement on a timely basis.

3.5 Reports. The Company and each of its Subsidiaries have timely filed (or furnished) all reports, forms, correspondence, registrations and statements, together with any amendments required to be made with respect thereto, that they were required to file (or furnish, as applicable) since January 1, 2015 with (i) any state regulatory authority, including the DFI, (ii) the Federal Reserve Board, (iii) the FDIC, (iv) any foreign regulatory authority and (v) any self-regulatory organization (an "SRO") ((i) through (v), collectively, "Regulatory Agencies"), including any report, form, correspondence, registration or statement required to be filed (or furnished, as applicable) pursuant to the laws, rules or regulations of the United States, any state, any foreign entity, or any Regulatory Agency, and have paid all fees and assessments due and payable in connection therewith, except where the failure to file (or furnish, as applicable) such report, form, correspondence, registration or statement or to pay such fees and assessments, either individually or in the aggregate, would not reasonably be expected to have a Material Adverse Effect on the Company. Each such report, form, correspondence, registration or statement filed with (or furnished to, as applicable) any Regulatory Agency since January 1, 2015, as of the date of its filing (or furnishing, as applicable) complied in all material respects with relevant legal requirements, including as to content. 3.15 Risk Management Instruments. All interest rate swaps, caps, floors, option agreements, collars, futures and forward contracts and other similar derivative transactions and risk management arrangements (including any collateralized debt or equity instruments evidencing or embedding any such types of transactions, and any related credit support, collateral or other similar arrangements related to such transactions) ("Derivative Contracts"), whether entered into for the account of the Company, any of its Subsidiaries or for the account of a customer of the Company or one of its Subsidiaries, were entered into in the ordinary course of business and in accordance with prudent banking practice, applicable rules, regulations and policies of any Regulatory Agency and with counterparties reasonably believed to be financially responsible at the time and are legal, valid and binding obligations of the Company or one of its Subsidiaries enforceable in accordance with their terms (except as may be limited by the Enforceability Exceptions), and are in full force and effect. 4.14 Reorganization. Parent has not taken any action and is not aware of any fact or circumstance that could reasonably be expected to prevent the Merger from qualifying as a "reorganization" within the meaning of Section 368(a) of the Code.

4.15 Opinion. Prior to the execution of this Agreement, Parent has received an opinion from D.A. Davidson & Co., to the effect that, as of the date thereof and based upon and subject to the matters set forth therein, the Merger Consideration is fair from a financial point of view to Parent. Such opinion has not been amended or rescinded as of the date of this Agreement.

4.16 Parent Information. The information relating to Parent and its Subsidiaries to be contained in the Proxy Statement and the S-4, and the information relating to Parent and its Subsidiaries or that is provided by Parent or its Subsidiaries or representatives for inclusion in any other application, notification or document filed with any Regulatory Agency or other Governmental Entity in connection herewith, will not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in light of the circumstances in which they are made, not misleading. ARTICLE VI

ADDITIONAL AGREEMENTS

6.1 Regulatory Matters.

(a) Parent and the Company shall promptly prepare and file with the SEC the Proxy Statement, and Parent shall promptly prepare and file with the SEC the S-4, in which the Proxy Statement will be included as a prospectus. Each of Parent and the Company shall use their reasonable best efforts to have the S-4 declared effective under the Securities Act as promptly as practicable after such filing, and the Company shall thereafter mail or deliver the Proxy Statement to its shareholders. Parent shall also use its reasonable best efforts to obtain all necessary state securities law or "Blue Sky" permits and approvals required to carry out the transactions contemplated by this Agreement. The Company shall furnish all information concerning the Company and the holders of Company Common Stock as may be reasonably requested by Parent in connection with any of the foregoing.

(b) The parties hereto shall cooperate with each other and use their reasonable best efforts to promptly (and in the case of the applications, notices, petitions and filings in respect of the Requisite Regulatory Approvals, within thirty (30) business days of the date of this Agreement) prepare and file all necessary documentation, to effect all applications, notices, petitions and filings, to obtain as promptly as practicable all permits, consents, approvals and authorizations of all third parties and Governmental Entities which are necessary or advisable to consummate the transactions contemplated by this Agreement (including the Merger and the Bank Merger), and to comply with the terms and conditions of all such permits, consents, approvals and authorizations of all such Governmental Entities. Parent and the Company shall have the right to review in advance, and, to the extent practicable, each will consult the other on, in each case subject to applicable laws relating to the exchange of information, all the information relating to the Company or Parent, as the case may be, and any of their respective Subsidiaries, which appears in any filing made with, or written materials submitted to, any third party or any Governmental Entity in connection with the transactions contemplated by this

Agreement. In exercising the foregoing right, each of the parties hereto shall act reasonably and as promptly as practicable. The parties hereto agree that they will consult with each other with respect to the obtaining of all permits, consents, approvals and authorizations of all third parties and Governmental Entities necessary or advisable to consummate the transactions contemplated by this Agreement, and each party will keep the other apprised of the status of matters relating to completion of the transactions contemplated herein, subject to applicable law.

(c) Each of Parent and the Company shall use its reasonable best efforts to resolve any objections that may be asserted by any Governmental Entity with respect to this Agreement or the transactions contemplated hereby. Notwithstanding the foregoing or anything to the contrary contained in this Agreement, under no circumstances shall Parent or any of its Subsidiaries be required, and the Company and its Subsidiaries shall not be permitted (without Parent's written consent), to take any action, or commit to take any action, or agree to any condition or restriction, in connection with obtaining the foregoing permits, consents, approvals and authorizations of Governmental Entities that would reasonably be expected to be materially burdensome on, or impair in any material respect the benefits of the transactions contemplated by this Agreement to, Parent, the Surviving Corporation or their Subsidiaries, or have a material and adverse effect on Parent, the Surviving Corporation and their respective Subsidiaries, taken as a whole, or the Company and its Subsidiaries, taken as a whole (in each case, measured on a scale relative to the Company and its Subsidiaries, taken as a whole), after giving effect to the Merger (any of the foregoing, a "Materially Burdensome Regulatory Condition").

(d) Parent and the Company shall, upon request, promptly furnish each other with all information concerning themselves, their Subsidiaries, directors, officers and shareholders and such other matters as may be reasonably necessary or advisable in connection with the Proxy Statement, the S-4 or any other statement, filing, notice or application made by or on behalf of Parent, the Company or any of their respective Subsidiaries to any Governmental Entity in connection with the Merger and the Bank Merger and the other transactions contemplated by this Agreement.

(e) Parent and the Company shall promptly advise each other upon receiving any communication from any Governmental Entity whose consent or approval is required for consummation of the transactions contemplated by this Agreement that causes such party to believe that there is a reasonable likelihood that any Requisite Regulatory Approval will not be obtained, or will be obtained subject to a Materially Burdensome Regulatory Condition, or that the receipt of any such approval will be materially delayed.

6.2 Access to Information; Confidentiality.

(a) Without limiting Parent's rights pursuant to Section 1.12(d), upon reasonable notice and subject to applicable laws, each of Parent and the Company, for the purposes of verifying the representations and warranties of the other and preparing for the Merger and the other matters contemplated by this Agreement, shall, and shall cause each of their respective Subsidiaries to, afford to the officers, employees, accountants, counsel, advisors and other representatives of the other party, access, during normal business hours during the period prior to the Effective Time, to all its properties, books, contracts, commitments, personnel, information technology systems, and records, and each shall cooperate with the other

party in preparing to execute after the Effective Time conversion or consolidation of systems and business operations generally, and, during such period, each of Parent and the Company shall, and shall cause its respective Subsidiaries to, make available to the other party (i) a copy of each report, schedule and other document filed or received by it during such period pursuant to the requirements of federal or state banking laws (other than reports or documents which Parent or the Company, as the case may be, is not permitted to disclose under applicable law), and (ii) all other information concerning its business, properties and personnel as such party may reasonably request. Neither Parent nor the Company nor any of their respective Subsidiaries shall be required to provide access to or to disclose information where such access or disclosure would violate or prejudice the rights of Parent's or the Company's, as the case may be, customers, jeopardize the attorney-client privilege of the institution in possession or control of such information (after giving due consideration to the existence of any common interest, joint defense or similar agreement between the parties) or contravene any law, rule, regulation, order, judgment, decree, fiduciary duty or binding agreement entered into prior to the date of this Agreement. The parties hereto will make appropriate substitute disclosure arrangements under circumstances in which the restrictions of the preceding sentence apply.

(b) Each of Parent and the Company shall hold all information furnished by or on behalf of the other party or any of such party's Subsidiaries or representatives pursuant to Section 6.2(a) in confidence to the extent required by, and in accordance with, the provisions of the confidentiality agreement, dated March 29, 2018, between Parent and the Company (the "Confidentiality Agreement").

(c) No investigation by either of the parties or their respective representatives shall affect or be deemed to modify or waive the representations and warranties of the other set forth herein. Nothing contained in this Agreement shall give either party, directly or indirectly, the right to control or direct the operations of the other party prior to the Effective Time. Prior to the Effective Time, each party shall exercise, consistent with the terms and conditions of this Agreement, complete control and supervision over its and its Subsidiaries' respective operations.

6.3 Shareholder Approval.

(a) The Company shall call a meeting of its shareholders (the "Company Meeting") to be held as soon as reasonably practicable after the S-4 is declared effective, for the purpose of obtaining the Requisite Company Vote required in connection with this Agreement and the Merger, and, if so desired and mutually agreed, upon other matters of the type customarily brought before a meeting of shareholders to approve a merger agreement or the transactions contemplated thereby, and the Company shall use its reasonable best efforts to cause the Company Meeting to occur as soon as reasonably practicable. The Company and its Board of Directors shall use their reasonable best efforts to obtain from the shareholders of the Company the Requisite Company Vote, including by communicating to its shareholders its recommendation (and including such recommendation in the Proxy Statement) that they adopt and approve this Agreement and the transactions contemplated hereby (the "Company Board Recommendation"), and shall not (i) withhold, withdraw, modify or qualify in a manner adverse to Parent the Company Board Recommendation, (ii) fail to make the Company Board Recommendation in the Proxy Statement, (iii) adopt, approve, recommend or endorse an Acquisition Proposal or publicly announce an intention to adopt, approve, recommend or endorse

an Acquisition Proposal, (iv) fail to publicly, finally and without qualification (A) recommend against any Acquisition Proposal or (B) reaffirm the Company Board Recommendation, in each case within ten (10) business days after such Acquisition Proposal is made public or any request by Parent to do so (which request may be made once per Acquisition Proposal, and any material change thereto) (or such fewer number of days as remains prior to Company Meeting), or (v) publicly propose to do any of the foregoing (any of the foregoing, a "Recommendation Change").

(b) Notwithstanding anything in this Agreement to the contrary, prior to the time the Requisite Company Vote is obtained, the Board of Directors of the Company may make a Recommendation Change if and only if (i) the Company and its Subsidiaries and Representatives have complied with their obligations under Section 6.12, (ii) an unsolicited *bona fide* written Acquisition Proposal is made to the Company after the date of this Agreement by a third party, and such Acquisition Proposal is not withdrawn, (iii) the Board of Directors of the Company has concluded in good faith (after consultation with its outside legal counsel and financial advisors) that such Acquisition Proposal constitutes a Superior Proposal, (iv) the Board of Directors of the Company has concluded in good faith (after consultation with its outside legal counsel) that failure to make a Recommendation Change would reasonably be expected to be inconsistent with the directors' fiduciary duties under applicable law, (v) prior to effecting the Recommendation Change, three (3) business days shall have elapsed since the Company has given written notice to Parent advising Parent that the Company intends to take such action and specifying in reasonable detail the reasons therefor, including the terms and conditions of, and the identity of the person making, any such Acquisition Proposal that is the basis of the Recommendation Change (it being understood that any amendment or change to any material term of such Acquisition Proposal shall require a new notice and the provisions of this Section 6.3(b) shall apply anew), (vi) during such three (3) business day period, the Company has considered, and engaged in good-faith discussions with Parent regarding, any adjustment or modification of the terms of this Agreement proposed by Parent and (vii) the Board of Directors of the Company, following such three (3)-business day period, again reasonably determines in good faith (after consultation with its outside legal counsel and financial advisors, and taking into account any adjustment or modification of the terms of this Agreement proposed by Parent and delivered to the Company in writing) that such Acquisition Proposal nonetheless continues to constitute a Superior Proposal and that failure to make a Recommendation Change would reasonably be expected to be inconsistent with the directors' fiduciary duties under applicable law.

(c) The Company shall adjourn or postpone the Company Meeting if, as of the time for which such meeting is originally scheduled, there are insufficient shares of Company Common Stock represented (either in person or by proxy) to constitute a quorum necessary to conduct the business of such meeting, or if on the date of such meeting the Company has not received proxies representing a sufficient number of shares necessary to obtain the Requisite Company Vote; provided, that no such adjournment or postponement shall delay the Company Meeting by more than ten (10) days from the prior-scheduled date or to a date on or after the fifth (5th) business day preceding the Termination Date. Except as described in the preceding sentence, the Company shall not adjourn or postpone the Company Meeting without Parent's written consent (which consent shall not be unreasonably withheld, conditioned or delayed).

(d) Notwithstanding anything to the contrary herein, unless this Agreement has been terminated in accordance with its terms (i) the Company Meeting shall be convened and this Agreement shall be submitted to the shareholders of the Company at the Company Meeting for the purpose of voting on the approval of this Agreement, and nothing contained herein shall be deemed to relieve the Company of such obligations, and (ii) the Company shall not submit to the vote of its shareholders any Acquisition Proposal or any transaction contemplated thereby.

6.4 Legal Conditions to Merger. Subject in all respects to Section 6.1 of this Agreement, each of Parent and the Company shall, and shall cause its Subsidiaries to, use their reasonable best efforts (a) to take, or cause to be taken, all actions necessary, proper or advisable to comply promptly with all legal requirements that may be imposed on such party or its Subsidiaries with respect to the Merger and the Bank Merger and, subject to the conditions set forth in Article VII hereof, to consummate the transactions contemplated by this Agreement, and (b) to obtain (and to cooperate with the other party to obtain) any consent, authorization, order or approval of, or any exemption by, any Governmental Entity and any other third party that is advisable or required to be obtained by the Company or Parent or any of their respective Subsidiaries in connection with the Merger, the Bank Merger and the other transactions contemplated by this Agreement.

6.5 Stock Exchange Listing. Parent shall file with the NASDAQ a notification form for the listing of all shares of Parent Common Stock to be delivered as Merger Consideration prior to the Effective Time and shall use its reasonable best efforts to cause such shares of Parent Common Stock to be listed on the NASDAQ, subject to official notice of issuance, prior to the Effective Time.

6.6 Employee Benefit Plans.

(a) During the period commencing at the Effective Time and ending on the first anniversary thereof, Parent shall provide, or cause to be provided, to each employee of the Company and its Subsidiaries who continues to be employed by Parent or its Subsidiaries immediately following the Effective Time (collectively, the "Continuing Employees"), while employed by Parent and its Subsidiaries after the Effective Time, (i) a base salary or wage rate that is no less favorable than the base salary or wage rate provided by the Company or any such Subsidiary, as applicable, to such Continuing Employee immediately prior to the Effective Time, (ii) an annual cash incentive compensation opportunity that is no less favorable than that provided to similarly situated employees of Parent and its Subsidiaries, and (iii) employee benefits that are substantially comparable in the aggregate to the employee benefits provided to similarly situated employees of Parent and its Subsidiaries; provided that Parent may satisfy its obligation under Section 6.6(a)(iii) by providing such Continuing Employees with employee benefits that are substantially comparable in the aggregate to the employee benefits provided by the Company or its Subsidiaries to such Continuing Employees immediately prior to the Effective Time until such time as such Continuing Employees commence participation in the applicable employee benefit plans of Parent and its Subsidiaries. Parent shall honor all change-in-control or severance agreements set forth in Section 6.6(a) of the Company Disclosure Schedules in accordance with their respective terms. In addition, Parent shall, or shall cause the Surviving Corporation or one of its Subsidiaries to, provide to each Continuing Employee whose employment terminates during the 12-month period following the Closing Date and who is not

party to an individual change-in-control or severance agreement with severance benefits equal to the severance benefits for which such Continuing Employee would be eligible under the severance plans or policies of Parent or its affiliates after providing recognition of service to the Company and its Subsidiaries in accordance with Section 6.6(b).

(b) Following the Effective Time, Parent shall, or shall cause the Surviving Corporation to, cause any employee benefit plans sponsored or maintained by Parent or the Surviving Corporation or their Subsidiaries in which the Continuing Employees are eligible to participate following the Effective Time (collectively, the "Parent Plans") to recognize and provide credit for the service of each Continuing Employee with the Company and its Subsidiaries (and any predecessor thereto) prior to the Effective Time for purposes of eligibility, vesting and level of benefits under such Parent Plans; provided that such recognition of and credit for service shall not (i) apply for purposes of any Parent Plan that is a defined benefit retirement plan or any Parent Plan that provides retiree welfare benefits, (ii) operate to duplicate any benefits of a Continuing Employee with respect to the same period of service, or (iii) apply for purposes of any plan, program or arrangement (A) under which similarly situated employees of Parent and its Subsidiaries do not receive recognition or credit for prior service or (B) that is grandfathered or frozen, either with respect to level of benefits or participation. With respect to any Parent Plan that provides medical, dental or vision insurance benefits, for the plan year in which such Continuing Employee is first eligible to participate, Parent shall use commercially reasonable efforts to (1) cause any preexisting condition limitations or eligibility waiting periods under such plan to be waived with respect to such Continuing Employee to the extent such limitation would have been waived or satisfied under the Company Benefit Plan in which such Continuing Employee participated immediately prior to the Effective Time, and (2) credit each Continuing Employee for any co-payments, deductibles or out-of-pocket expenses incurred by such Continuing Employee and his or her eligible dependents in such plan year for purposes of any applicable co-payment, deductible and annual out-of-pocket expense requirements under any such Parent Plan. Parent and its Subsidiaries, as applicable, shall assume and honor, under the sick leave and vacation policies of the Company and its Subsidiaries as set forth on Section 6.6(b) of the Company Disclosure Schedules, the accrued but unused sick leave and vacation time of the Continuing Employees prior to the Effective Time.

(c) If requested by Parent at least fifteen (15) days prior to the Effective Time, the Company shall cause any 401(k) plan sponsored or maintained by the Company or any of its Subsidiaries (each, a "Company 401(k) Plan") to be terminated effective as of the day immediately prior to the Closing Date and contingent upon the occurrence of the Closing. In the event that Parent so requests that any Company 401(k) Plan be terminated, (i) the Company shall provide Parent with evidence that such plan has been terminated (the form and substance of which shall be subject to reasonable review and approval by Parent) not later than two (2) days immediately preceding the Closing Date; and (ii) Parent shall permit (and, to the extent necessary, shall amend Parent's existing 401(k) Plan(s) to permit) the Continuing Employees who are participants in such Company 401(k) Plan and then actively employed to make rollover contributions of "eligible rollover distributions" (within the meaning of Section 401(a)(31) of the Code, inclusive of loans but excluding any shares of Parent Common Stock) in cash or notes (in the case of loans) in an amount equal to the full account balance distributed to any such Company Employee from the Company 401(k) Plan(s) to Parent's existing 401(k) plan(s).

(d) Nothing in this Agreement shall confer upon any employee, officer, director or consultant of the Company or any of its Subsidiaries or affiliates any right to continue in the employ or service of the Surviving Corporation, the Company or any Subsidiary or affiliate thereof, or shall interfere with or restrict in any way the rights of the Surviving Corporation, the Company, Parent or any Subsidiary or affiliate thereof to discharge or terminate the services of any employee, officer, director or consultant of the Company or any of its Subsidiaries or affiliates at any time for any reason whatsoever, with or without cause. Nothing in this Agreement shall be deemed to (i) establish, amend, or modify any Company Benefit Plan, Parent Plan or any other employee benefit or employment plan, program, agreement or arrangement, or (ii) alter or limit the ability of the Surviving Corporation or any of its Subsidiaries or affiliates to amend, modify or terminate any particular Company Benefit Plan, Parent Plan or any other employee benefit or employment plan, program, agreement or arrangement after the Effective Time. Without limiting the generality of Section 9.9, nothing in this Agreement, express or implied, is intended to or shall confer upon any person other than the parties hereto, including any current or former employee, officer, director or consultant of the Company or any of its Subsidiaries or affiliates, any right, benefit or remedy of any nature whatsoever under or by reason of this Agreement.

6.7 Indemnification; Directors' and Officers' Insurance.

(a) For a period of six (6) years from and after the Effective Time, to the fullest extent permitted by applicable law, the Surviving Corporation shall indemnify and hold harmless, to the extent such persons are indemnified as of the date of this Agreement by the Company pursuant to the Company Articles and the Company Bylaws, or pursuant to any other agreements in effect on the date hereof and disclosed in Section 6.7(a) of the Company Disclosure Schedules (and shall also advance expenses as incurred to the extent provided under the Company Articles and Company Bylaws (or such agreements listed in Section 6.7(a) of the Company Disclosure Schedules) as in effect as of the date of this Agreement), each present and former director and officer of the Company and its Subsidiaries (in each case, when acting in such capacity) (collectively, the "Company Indemnified Parties") against any costs or expenses (including reasonable attorneys' fees), judgments, fines, losses, damages or liabilities incurred in connection with any threatened or actual claim, action, suit, proceeding or investigation, whether civil, criminal, administrative or investigative, whether arising before or after the Effective Time, arising out of the fact that such person is or was a director or officer of the Company or any of its Subsidiaries and pertaining to matters existing or occurring at or prior to the Effective Time, including the transactions contemplated by this Agreement; provided, that the Company Indemnified Party to whom expenses are advanced provides an undertaking to repay such advances if it is ultimately determined that such Company Indemnified Party is not entitled to indemnification.

(b) For a period of six (6) years after the Effective Time, the Surviving Corporation shall cause to be maintained in effect the current policies of directors' and officers' liability insurance maintained by the Company (provided, that the Surviving Corporation may substitute therefor policies with substantially comparable insurer of at least the same coverage and amounts containing terms and conditions which are no less advantageous to the insured) with respect to claims arising from facts or events which occurred at or before the Effective Time; provided, however, that in no event shall the Surviving Corporation be obligated to

expend, on an annual basis, an amount in excess of 250% of the current annual premium paid as of the date hereof by the Company for such insurance (the "Premium Cap"), and if such premiums for such insurance would at any time exceed the Premium Cap, then the Surviving Corporation shall cause to be maintained policies of insurance which, in the Surviving Corporation's good faith determination, provide the maximum coverage available at an annual premium not exceeding the Premium Cap. In lieu of the foregoing, Parent or the Company, in consultation with, but only upon the consent of Parent (which consent shall not be unreasonably withheld, conditioned or delayed), may (and at the request of Parent, the Company shall) obtain at or prior to the Effective Time a six-year "tail" policy under the Company's existing directors' and officers' liability insurance policy providing equivalent coverage to that described in the preceding sentence, if and to the extent that the same may be obtained for an amount that, in the aggregate, does not exceed the Premium Cap.

(c) The provisions of this Section 6.7 shall survive the Effective Time and are intended to be for the benefit of, and shall be enforceable by, each Company Indemnified Party and his or her heirs and representatives. In the event the Surviving Corporation or any of its successors or assigns (i) consolidates with or merges into any other person and shall not be the continuing or surviving corporation or entity of such consolidation or merger or (ii) transfers or conveys all or substantially all of its properties or assets to any person, then, and in each such case, the Surviving Corporation shall cause proper provision to be made so that the successors and assigns of the Surviving Corporation will expressly assume the obligations set forth in this Section 6.7.

6.8 Additional Agreements. In case at any time after the Effective Time, any further action is necessary or desirable to carry out the purposes of this Agreement (including any merger between a Subsidiary of Parent, on the one hand, and a Subsidiary of the Company, on the other hand) or to vest the Surviving Corporation with full title to all properties, assets, rights, approvals, immunities and franchises of any of the parties to the Merger, the proper officers and directors of each party to this Agreement and their respective Subsidiaries shall take all such necessary action as may be required or reasonably requested by Parent or the Company.

6.9 Advice of Changes. Parent and the Company shall each promptly advise the other party of any fact, effect, change, event, circumstance, condition, occurrence or development that (i) has had or is reasonably likely, either individually or in the aggregate, to have a Material Adverse Effect on it or (ii) would or would be reasonably likely to cause or constitute a material breach of any of its representations, warranties, covenants or agreements contained herein or that reasonably could be expected to give rise, individually or in the aggregate, to the failure of a condition in Article VII; provided, that any failure to give notice in accordance with the foregoing with respect to any breach shall not be deemed to constitute a violation of this Section 6.9 or the failure of any condition set forth in Section 7.2 or 7.3 to be satisfied, or otherwise constitute a breach of this Agreement by the party failing to give such notice, in each case unless the underlying breach would independently result in a failure of the conditions set forth in Section 7.2 or 7.3 to be satisfied; and provided, further, that the delivery of any notice pursuant to this Section 6.9 shall not cure any breach of, or noncompliance with, any other provision of this Agreement or limit the remedies available to the party receiving such notice.

6.10 Shareholder Litigation. The Company shall give Parent prompt notice of any shareholder litigation against the Company and/or its directors or officers relating to the transactions contemplated by this Agreement and shall give Parent an opportunity to participate in the defense or settlement of any such litigation. The Company shall give Parent the right to review and comment on all filings or responses to be made by the Company in connection with any such litigation, and the Company will in good faith take such comments into account, and no settlement of any such shareholder litigation shall be offered or agreed to without Parent's prior written consent (such consent not to be unreasonably withheld, conditioned or delayed).

6.11 Governance Matters.

(a) The directors of Parent at the Effective Time shall be the directors of the Surviving Corporation from and after the Effective Time until their successors are duly elected or appointed; provided, that effective immediately following the Effective Time, Parent shall take such action as is necessary to appoint Cheryl Bishop to the Board of Directors of the Surviving Corporation.

(b) The officers of Parent at the Effective Time shall be the officers of the Surviving Corporation from and after the Effective Time until their successors are duly elected or appointed, together with such additional persons as may thereafter be elected or appointed.

6.12 Acquisition Proposals. Except as expressly permitted by this Section 6.12, the Company agrees that it will not, and will cause each of its Subsidiaries and its and their respective officers, directors, employees, agents, advisors, financing sources, investment bankers, attorneys and other representatives (collectively, "Representatives") not to, directly or indirectly, (i) initiate, solicit, knowingly encourage or knowingly facilitate any inquiries or proposals regarding, or the making of any proposal or offer that constitutes, or could reasonably be expected to lead to, any Acquisition Proposal, (ii) engage or participate in any negotiations with any person concerning any Acquisition Proposal, (iii) disclose or provide any confidential or nonpublic information to, have or participate in any discussions with or otherwise cooperate in any way with, any person in connection with or relating to any Acquisition Proposal (including by affording access to the personnel, properties, books, records or assets of the Company or its Subsidiaries) or (iv) unless this Agreement has been terminated in accordance with its terms, approve or enter into any term sheet, letter of intent, commitment, memorandum of understanding, agreement in principle, acquisition agreement, merger agreement, or other agreement (whether written or oral, binding or nonbinding) (other than a confidentiality agreement referred to and entered into in accordance with this Section 6.12) in connection with or relating to any Acquisition Proposal. Notwithstanding the foregoing, prior to the receipt of the Requisite Company Vote and subject to compliance with this Section 6.12, in the event the Company receives an unsolicited *bona fide* written Acquisition Proposal after the date of this Agreement that did not result from a breach of this Section 6.12, it may, and may permit its Subsidiaries and its and its Subsidiaries' Representatives to, furnish or cause to be furnished confidential or nonpublic information or data and participate in such negotiations or discussions with the person making the Acquisition Proposal if and only if its Board of Directors determines in good faith (after consultation with its outside legal counsel and financial advisors) that such Acquisition Proposal constitutes or is reasonably likely to result in a Superior Proposal and that the failure to take such actions would reasonably be expected to be inconsistent with the

directors' fiduciary duties under applicable law; provided, further, that prior to providing any confidential or nonpublic information permitted to be provided pursuant to the foregoing proviso or participating in such negotiations or discussions, the Company shall have given Parent at least five (5) business days' prior written notice and shall have entered into a confidentiality agreement with such third party on terms no less favorable to it than the Confidentiality Agreement, which confidentiality agreement shall not provide such person with any exclusive right to negotiate with the Company. The Company shall provide Parent with a copy of any confidential or nonpublic information provided to any person pursuant to the prior sentence prior to or simultaneously with furnishing such information to such person (to the extent not previously provided). The Company will, and will cause its Representatives to, immediately cease and cause to be terminated any activities, discussions or negotiations conducted before the date of this Agreement with any person other than Parent with respect to any Acquisition Proposal and will request the return or destruction of any information provided to any such person in connection therewith. The Company will promptly (and within twenty-four (24) hours) advise Parent following receipt of any Acquisition Proposal or any inquiry which could reasonably be expected to lead to an Acquisition Proposal, and the substance thereof (including the terms and conditions of and the identity of the person making such inquiry or Acquisition Proposal) and will provide Parent an unredacted copy of such Acquisition Proposal and any draft agreements, proposals or other materials or correspondence received in connection with such inquiry or Acquisition Proposal, and will keep Parent apprised of any related developments, discussions and negotiations on a current basis, including any amendments to or revisions of the terms of such inquiry or Acquisition Proposal (including providing an unredacted copy of such amended or revised Acquisition Proposal and any further or revised draft agreements, proposals or other materials or correspondence received in connection with such inquiry or Acquisition Proposal). The Company shall enforce any existing confidentiality agreements to which it or any of its Subsidiaries is a party in accordance with the terms thereof and will not release any third party from, or waive any provisions of, any such agreements. As used in this Agreement, "Acquisition Proposal" shall mean, other than the transactions contemplated by this Agreement, any offer, proposal or inquiry relating to, or any third party indication of interest in, (i) any acquisition or purchase, direct or indirect, of fifteen percent (15%) or more of the consolidated assets of the Company and its Subsidiaries or fifteen percent (15%) or more of any class of equity or voting securities of the Company or its Subsidiaries whose assets, individually or in the aggregate, constitute fifteen percent (15%) or more of the consolidated assets of the Company, (ii) any tender offer (including a self-tender offer), exchange offer or other acquisition of equity or voting securities that, if consummated, would result in such third party beneficially owning fifteen percent (15%) or more of any class of equity or voting securities of the Company or its Subsidiaries whose assets, individually or in the aggregate, constitute fifteen percent (15%) or more of the consolidated assets of the Company or (iii) a merger, consolidation, share exchange, business combination, reorganization, recapitalization, liquidation, dissolution or other similar transaction involving the Company or its Subsidiaries. As used in this Agreement, "Superior Proposal" means an unsolicited, *bona fide* written Acquisition Proposal made by a third party to acquire, directly or indirectly, pursuant to a tender offer, exchange offer, merger, consolidation or other business combination or acquisition transaction, all or substantially all of the consolidated assets of the Company and its Subsidiaries or all of the outstanding shares of Company Common Stock, and which the Board of Directors of the Company has in good faith determined (after consultation with its outside legal counsel and financial advisors, and taking

into account the terms and conditions of such Acquisition Proposal and this Agreement (as it may be proposed to be amended by Parent) and all legal, financial, timing, regulatory and other aspects of such Acquisition Proposal and the person making the proposal), to be more favorable, from a financial point of view, to the Company's shareholders than the Merger and the transactions contemplated by this Agreement (as it may be proposed to be amended by Parent) and to be reasonably likely to be consummated on a timely basis on the terms proposed.

6.13 Public Announcements. The parties hereto agree that the initial press release with respect to the execution and delivery of this Agreement shall be a release mutually agreed to by Parent and the Company. Thereafter, each of the parties agrees that no public release or announcement or statement concerning this Agreement or the transactions contemplated hereby shall be issued by any party without the prior written consent of the other party (which consent shall not be unreasonably withheld, conditioned or delayed), except as required by applicable law or the rules or regulations of any applicable Governmental Entity or stock exchange to which the relevant party is subject, in which case the party required to make the release or announcement shall consult with the other party about, and allow the other party reasonable time to comment on, such release or announcement in advance of such issuance.

6.14 Change of Method. Parent shall be empowered, at any time prior to the Effective Time, to change the method or structure of effecting the combination of the Company and Parent (including the provisions of Article I), and the Company agrees to enter into such amendments to this Agreement as Parent may reasonably request to give effect to such restructuring; provided, however, that no such change or amendment shall (i) alter or change the amount or kind of the Merger Consideration provided for in this Agreement, (ii) adversely affect the Tax treatment of the Merger with respect to either party or its shareholders or (iii) impede or materially delay the consummation of the transactions contemplated by this Agreement or the receipt of the Requisite Regulatory Approvals.

6.15 Restructuring Efforts. If the Company shall have failed to obtain the Requisite Company Vote at the duly convened Company Meeting or any adjournment or postponement thereof, unless this Agreement has been validly terminated in accordance with Section 8.1, each of the parties shall in good faith use its reasonable best efforts to negotiate a restructuring of the transactions provided for herein (it being understood that neither party shall have any obligation to alter or change any material terms, including the amount or kind of the Merger Consideration, in a manner adverse to such party or its shareholders or to agree to any change that would adversely affect the Tax treatment of the Merger with respect to such party or its shareholders) and/or resubmit this Agreement and the transactions contemplated hereby (or as restructured pursuant to this Section 6.15) to the Company's shareholders for approval.

6.16 Takeover Statutes. None of the Company, Parent or their respective Boards of Directors shall take any action that would cause any Takeover Statute to become applicable to this Agreement, the Merger or any of the other transactions contemplated hereby, and each shall take all necessary steps to exempt (or ensure the continued exemption of) the Merger and the other transactions contemplated hereby from any applicable Takeover Statute now or hereafter in effect. If any Takeover Statute may become, or may purport to be, applicable to the transactions contemplated hereby, each party and their respective Boards of Directors will grant such approvals and take such actions as are necessary so that the transactions contemplated

by this Agreement may be consummated as promptly as practicable on the terms contemplated hereby and thereby and otherwise act to eliminate or minimize the effects of any Takeover Statute on any of the transactions contemplated by this Agreement, including, if necessary, challenging the validity or applicability of any such Takeover Statute.

6.17 Special Dividend. After Adjusted Shareholders' Equity has been finally determined pursuant to Section 1.12, to the extent Adjusted Shareholders' Equity, as so determined, exceeds \$80,000,000, the Board of Directors of the Company may, upon written notice to Parent and effective immediately prior to the Closing, declare and pay a special dividend in an amount not to exceed such excess.

ARTICLE VII

CONDITIONS PRECEDENT

7.1 Conditions to Each Party's Obligation to Effect the Merger. The respective obligations of the parties to effect the Merger shall be subject to the satisfaction, or waiver (subject to applicable law) by Parent and the Company, at or prior to the Effective Time of the following conditions:

- (a) Shareholder Approval. This Agreement shall have been approved by the shareholders of the Company by the Requisite Company Vote.
- (b) NASDAQ Listing. Parent shall have filed with the NASDAQ a notification form for the listing of all shares of Parent Common Stock to be delivered as Merger Consideration, and the NASDAQ shall not have objected to the listing of such shares of Parent Common Stock.
- (c) Regulatory Approvals. All regulatory authorizations, consents, orders or approvals required to consummate the transactions contemplated by this Agreement (including the Merger and the Bank Merger) from the Federal Reserve Board, the FDIC, the DFI and, if required by the HSR Act, under the HSR Act, and any other authorizations, consents, orders or approvals from Governmental Entities required to consummate the transactions contemplated by this Agreement (including the Merger and the Bank Merger) shall have been obtained and shall remain in full force and effect, and all statutory waiting periods in respect thereof shall have expired or been terminated (such authorizations, consents, orders or approvals and the expiration of such waiting periods being referred to herein as the "Requisite Regulatory Approvals") and (ii) in the case of the obligation of Parent to effect the Merger, no such Requisite Regulatory Approval shall contain or shall have resulted in, or would reasonably be expected to result in, the imposition of any Materially Burdensome Regulatory Condition.
- (d) S-4. The S-4 shall have become effective under the Securities Act and no stop order suspending the effectiveness of the S-4 shall have been issued and no proceedings for that purpose shall have been initiated or threatened by the SEC and not withdrawn.
- (e) No Injunctions or Restraints; Illegality. No order, injunction or decree issued by any court or Governmental Entity of competent jurisdiction or other legal restraint or prohibition preventing the consummation of the Merger, the Bank Merger or any of the other

transactions contemplated by this Agreement shall be in effect. No law, statute, rule, regulation, order, injunction or decree shall have been enacted, entered, promulgated or enforced by any Governmental Entity which prohibits or makes illegal consummation of the Merger, the Bank Merger or any of the other transactions contemplated by this Agreement.

(f) Finally Determined Adjusted Shareholders' Equity. Adjusted Shareholders' Equity shall have been finally determined pursuant to Section 1.12.

7.2 Conditions to Obligations of Parent. The obligation of Parent to effect the Merger is also subject to the satisfaction, or waiver (subject to applicable law) by Parent, at or prior to the Effective Time, of the following conditions:

(a) Representations and Warranties. The representations and warranties of the Company set forth in Sections 3.2, 3.3(a), 3.7, 3.8(a) and 3.23 (in each case after giving effect to the lead in to Article III) shall be true and correct (other than, in the case of Section 3.2, such failures to be true and correct as are *de minimis*), in each case as of the date of this Agreement and as of the Closing Date as though made on and as of the Closing Date (except to the extent such representations and warranties speak as of an earlier date, in which case as of such earlier date), and the representations and warranties of the Company set forth in Section 3.1 (in each case, after giving effect to the lead in to Article III) shall be true and correct in all material respects, in each case as of the date of this Agreement and as of the Closing Date as though made on and as of the Closing Date (except to the extent such representations and warranties speak as of an earlier date, in which case as of such earlier date). All other representations and warranties of the Company set forth in this Agreement (read without giving effect to any qualification as to materiality or Material Adverse Effect set forth in such representations or warranties but, in each case, after giving effect to the lead in to Article III) shall be true and correct in all respects as of the date of this Agreement and as of the Closing Date as though made on and as of the Closing Date (except to the extent such representations and warranties speak as of an earlier date, in which case as of such earlier date); provided, however, that for purposes of this sentence, such representations and warranties shall be deemed to be true and correct unless the failure or failures of such representations and warranties to be so true and correct, either individually or in the aggregate, and without giving effect to any qualification as to materiality or Material Adverse Effect set forth in such representations or warranties, has had or would reasonably be expected to have a Material Adverse Effect on the Company or the Surviving Corporation. Parent shall have received a certificate dated as of the Closing Date and signed on behalf of the Company by the Chief Executive Officer or the Chief Financial Officer of the Company to the foregoing effect.

(b) Performance of Obligations of the Company. The Company shall have performed and complied with in all material respects the obligations, covenants and agreements required to be performed and complied with by it under this Agreement at or prior to the Effective Time, and Parent shall have received a certificate dated as of the Closing Date and signed on behalf of the Company by the Chief Executive Officer or the Chief Financial Officer of the Company to such effect.

(c) Federal Tax Opinion. Parent shall have received the opinion of Wachtell, Lipton, Rosen & Katz, in form and substance reasonably satisfactory to Parent, dated as of the Closing Date, to the effect that, on the basis of facts, representations and assumptions set forth or

referred to in such opinion, the Merger shall qualify as a "reorganization" within the meaning of Section 368(a) of the Code. In rendering such opinion, counsel may require and rely upon representations contained in certificates of officers of Parent and the Company, reasonably satisfactory in form and substance to such counsel.

(d) Dissenting Shares. Holders of not more than 10% of the outstanding shares of Company Common Stock shall have exercised their dissenters' rights pursuant to the WBCA.

7.3 Conditions to Obligations of the Company. The obligation of the Company to effect the Merger is also subject to the satisfaction or waiver (subject to applicable law) by the Company at or prior to the Effective Time of the following conditions:

(a) Representations and Warranties. The representations and warranties of Parent set forth in Sections 4.2, 4.3(a), 4.7, 4.8(a) and 4.15 (in each case, after giving effect to the lead in to Article IV) shall be true and correct (other than, in the case of Section 4.2, such failures to be true and correct as are *de minimis*), in each case as of the date of this Agreement and as of the Closing Date as though made on and as of the Closing Date (except to the extent such representations and warranties speak as of an earlier date, in which case as of such earlier date), and the representations and warranties of Parent set forth in Section 4.1 (in each case, after giving effect to the lead in to Article IV) shall be true and correct in all material respects, in each case as of the date of this Agreement and as of the Closing Date as though made on and as of the Closing Date (except to the extent such representations and warranties speak as of an earlier date, in which case as of such earlier date). All other representations and warranties of Parent set forth in this Agreement (read without giving effect to any qualification as to materiality or Material Adverse Effect set forth in such representations or warranties but, in each case, after giving effect to the lead in to Article IV) shall be true and correct in all respects as of the date of this Agreement and as of the Closing Date as though made on and as of the Closing Date (except to the extent such representations and warranties speak as of an earlier date, in which case as of such earlier date), provided, however, that for purposes of this sentence, such representations and warranties shall be deemed to be true and correct unless the failure or failures of such representations and warranties to be so true and correct, either individually or in the aggregate, and without giving effect to any qualification as to materiality or Material Adverse Effect set forth in such representations or warranties, has had or would reasonably be expected to have a Material Adverse Effect on Parent. The Company shall have received a certificate dated as of the Closing Date and signed on behalf of Parent by the Chief Executive Officer or the Chief Financial Officer of Parent to the foregoing effect.

(b) Performance of Obligations of Parent. Parent shall have performed and complied with in all material respects the obligations, covenants and agreements required to be performed and complied with by it under this Agreement at or prior to the Effective Time, and the Company shall have received a certificate dated as of the Closing Date and signed on behalf of Parent by the Chief Executive Officer or the Chief Financial Officer of Parent to such effect.

(c) Federal Tax Opinion. The Company shall have received the opinion of Miller Nash Graham & Dunn LLP, in form and substance reasonably satisfactory to the Company, dated as of the Closing Date, to the effect that, on the basis of facts, representations

and assumptions set forth or referred to in such opinion, the Merger shall qualify as a "reorganization" within the meaning of Section 368(a) of the Code. In rendering such opinion, counsel may require and rely upon representations contained in certificates of officers of Parent and the Company, reasonably satisfactory in form and substance to such counsel.

ARTICLE VIII

TERMINATION AND AMENDMENT

8.1 Termination. This Agreement may be terminated at any time prior to the Effective Time, whether before or after receipt of the Requisite Company Vote:

(a) by mutual written consent of Parent and the Company;

(b) by either Parent or the Company, if any Governmental Entity that must grant a Requisite Regulatory Approval has denied approval of the Merger or the Bank Merger or any of the other transactions contemplated by this Agreement and such denial has become final and nonappealable or any Governmental Entity of competent jurisdiction shall have issued a final nonappealable order, injunction, decree, or other legal restraint or prohibition permanently enjoining or otherwise prohibiting or making illegal the consummation of the Merger or the Bank Merger, or any of the other transactions contemplated by this Agreement;

(c) by either Parent or the Company, if the Merger shall not have been consummated on or before April 25, 2019 (the "Termination Date"), unless the failure of the Closing to occur by such date shall be due to the failure of the party seeking to terminate this Agreement to perform or comply with the obligations, covenants and agreements of such party set forth herein;

(d) by either Parent or the Company (provided, that the terminating party is not then in material breach of any representation, warranty, obligation, covenant or other agreement contained herein), if there shall have been a breach of any of the obligations, covenants or agreements or any of the representations or warranties (or any such representation or warranty shall cease to be true) set forth in this Agreement on the part of the Company, in the case of a termination by Parent, or Parent, in the case of a termination by the Company, which breach or failure to be true, either individually or in the aggregate with all other breaches by such party (or failures of such representations or warranties to be true), would constitute, if occurring or continuing on the Closing Date, the failure of a condition set forth in Section 7.2, in the case of a termination by Parent, or Section 7.3, in the case of a termination by the Company, and which is not cured within thirty (30) days following written notice to the Company, in the case of a termination by Parent, or Parent, in the case of a termination by the Company, or by its nature or timing cannot be cured during such period (or such fewer days as remain prior to the Termination Date);

(e) by the Company if (i) the Company shall have complied in all material respects with its obligations under Section 6.3 (including with respect to any requested adjournment or postponement requested under Section 6.3(c)) and Section 6.12, (ii) the Company Meeting (including any postponements or adjournments thereof) shall have concluded

with the vote contemplated by Section 6.3(a) having been taken and the Requisite Company Vote shall not have been obtained and (iii) prior to the Company Meeting, the Company shall have received a Superior Proposal which did not result from a breach of Section 6.3 or Section 6.12 and the Board of Directors of the Company shall have determined to enter into a definitive agreement providing for such Superior Proposal upon termination of this Agreement in accordance with this Section 8.1(e) and shall have entered into such agreement concurrently with such termination; provided, that (x) following such Company Meeting (including any postponements or adjournments thereof) and prior to such termination, the Company and the Board of Directors of the Company shall have complied with their respective obligations pursuant to Sections 6.3(b)(v), 6.3(b)(vi) and 6.3(b)(vii), which shall be deemed to apply to a termination pursuant to this Section 8.1(e) *mutatis mutandis* (it being understood that references to "Recommendation Change" therein shall, for purposes of this clause (x), be deemed to be references to a termination pursuant to this Section 8.1(e) and (y) concurrently with and as a condition to the effectiveness of such termination the Company shall pay Parent the Termination Fee pursuant to Section 8.2(d);

(f) by Parent if the Company Meeting (including any postponements or adjournments thereof) shall have concluded with the vote contemplated by Section 6.3(a) having been taken and the Requisite Company Vote shall not have been obtained; or

(g) by Parent, prior to the Requisite Company Vote having been obtained, if the Company or the Board of Directors of the Company shall have (i) made a Recommendation Change or (ii) breached its obligations under Section 6.3 or 6.12 in any material respect.

8.2 Effect of Termination.

(a) In the event of termination of this Agreement by either Parent or the Company as provided in Section 8.1, this Agreement shall forthwith become void and have no effect, and none of Parent, the Company, any of their respective Subsidiaries or any of the officers or directors of any of them shall have any liability of any nature whatsoever hereunder, or in connection with the transactions contemplated hereby, except that (i) Section 6.2(b) (Access to Information; Confidentiality), Section 6.13 (Public Announcements), Section 8.1 (Termination), this Section 8.2 (Effect of Termination) and Article IX (General Provisions) shall survive any termination of this Agreement, and (ii) notwithstanding anything to the contrary contained in this Agreement, neither Parent nor the Company shall be relieved or released from any liabilities or damages arising out of its fraud or willful and material breach of any provision of this Agreement.

(b) In the event that, after the date of this Agreement and prior to the termination of this Agreement, (i) a *bona fide* Acquisition Proposal shall have been communicated to or otherwise made known to the Board of Directors or senior management of the Company or shall have been made directly to the shareholders of the Company, or any person shall have publicly announced an Acquisition Proposal, with respect to the Company, (ii) thereafter this Agreement is terminated (A) by either Parent or the Company pursuant to Section 8.1(c) (if the Requisite Company Vote has not theretofore been obtained but all other conditions set forth in Sections 7.1 and 7.3 had been satisfied or were capable of being satisfied prior to such termination) or (B) by Parent (x) pursuant to Section 8.1(d) or (y) pursuant to Section

8.1(f), and (iii) prior to the date that is twelve (12) months after the date of such termination, the Company enters into a definitive agreement or consummates a transaction with respect to an Acquisition Proposal (whether or not the same Acquisition Proposal as that referred to above), then the Company shall, on the earlier of the date it enters into such definitive agreement and the date of consummation of such transaction, pay Parent, by wire transfer of same-day funds, a fee equal to \$7,750,000 (the "Termination Fee"); provided, that for purposes of this Section 8.2(b), all references in the definition of Acquisition Proposal to "fifteen percent (15%)" shall instead refer to "fifty percent (50%)."

(c) In the event that this Agreement is terminated by Parent pursuant to Section 8.1(g), then the Company shall pay Parent, by wire transfer of same day funds, the Termination Fee within two business days of the date of termination.

(d) In the event that this Agreement is terminated by the Company pursuant to Section 8.1(e), then the Company shall, concurrently with and as a condition to such termination, pay Parent the Termination Fee by wire transfer of same day funds.

(e) The Company acknowledges that the agreements contained in this Section 8.2 are an integral part of the transactions contemplated by this Agreement, and that, without these agreements, Parent would not enter into this Agreement; accordingly, if the Company fails to pay the amount due pursuant to this Section 8.2 when required, and, in order to obtain such payment, Parent commences a suit which results in a judgment against the Company for the Termination Fee or any portion thereof, the Company shall pay the costs and expenses of Parent (including attorneys' fees and expenses) in connection with such suit. In addition, if the Company fails to pay the amounts payable pursuant to this Section 8.2 when required, then the Company shall pay interest on such overdue amounts (for the period commencing as of the date that such overdue amount was originally required to be paid and ending on the date that such overdue amount is actually paid in full) at a rate per annum equal to the "prime rate" published in *The Wall Street Journal* on the date such payment was required to be made *plus* 300 basis points for the period commencing as of the date that such overdue amount was originally required to be paid. The amounts payable by the Company pursuant to this Section 8.2 constitute liquidated damages and not a penalty, and, except in the case of fraud or willful and material breach of this Agreement, shall be the sole monetary remedy of Parent in the event of a termination of this Agreement specified in such section. In no event shall the Company be required to pay the Termination Fee more than once.

8.3 Amendment. Subject to compliance with applicable law, this Agreement may be amended by the parties hereto, at any time before or after receipt of the Requisite Company Vote; provided, however, that after the receipt of the Requisite Company Vote, there may not be, without further approval of such shareholders, any amendment of this Agreement that requires such further approval under applicable law. This Agreement may not be amended except by an instrument in writing signed on behalf of each of the parties hereto.

8.4 Extension; Waiver. At any time prior to the Effective Time, the parties hereto may, to the extent legally allowed, (a) extend the time for the performance of any of the obligations or other acts of the other party hereto, (b) waive any inaccuracies in the representations and warranties of the other party contained herein or in any document delivered

by such other party pursuant hereto and (c) waive compliance with any of the agreements or satisfaction of any conditions for its benefit contained herein. Any agreement on the part of a party hereto to any such extension or waiver shall be valid only if set forth in a written instrument signed on behalf of such party, but such extension or waiver or failure to insist on strict compliance with an obligation, covenant, agreement or condition shall not operate as a waiver of, or estoppel with respect to, any subsequent or other failure.

ARTICLE IX

GENERAL PROVISIONS

9.1 Nonsurvival of Representations, Warranties and Agreements. 9.2 Expenses. Except as otherwise expressly provided in this Agreement, all costs and expenses incurred in connection with this Agreement and the transactions contemplated hereby shall be paid by the party incurring such expense.

9.4 Interpretation. The parties have participated jointly in negotiating and drafting this Agreement. In the event that an ambiguity or a question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the parties, and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any provision of this Agreement. When a reference is made in this Agreement to Articles, Sections, Exhibits or Schedules, such reference shall be to an Article or Section of or Exhibit or Schedule to this Agreement unless otherwise indicated. The table of contents and headings contained in this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement. Whenever the words "include," "includes" or "including" are used in this Agreement, they shall be deemed to be followed by the words "without limitation." The word "or" shall not be exclusive. References to "the date hereof" shall mean the date of this Agreement. As used in this Agreement, the "knowledge" of the Company means the actual knowledge of any of the officers of the Company listed on Section 9.4 of the Company Disclosure Schedules, and the "knowledge" of Parent means the actual knowledge of any of the officers of Parent listed on Section 9.4 of the Parent Disclosure Schedules. schedules and all exhibits hereto, shall be deemed part of this Agreement and included in any reference to this Agreement.

9.5 Counterparts. This Agreement may be executed in counterparts, all of which shall be considered one and the same agreement and shall become effective when counterparts have been signed by each of the parties and delivered to the other parties, it being understood that all parties need not sign the same counterpart.

9.6 Entire Agreement. This Agreement (including the Voting Agreements and the other documents and instruments referred to herein) together with the Confidentiality Agreement constitutes the entire agreement among the parties and supersedes all prior agreements and understandings, both written and oral, among the parties with respect to the subject matter hereof.

9.7 Governing Law; Jurisdiction.

(a) This Agreement shall be governed and construed in accordance with the laws of the State of Washington, without regard to any applicable conflicts of law.

(b) Each party agrees that it will bring any action or proceeding in respect of any claim arising out of or related to this Agreement or the transactions contemplated hereby exclusively in any federal or state court of competent jurisdiction located in the State of Washington (the "Chosen Courts"), and, solely in connection with claims arising under this Agreement or the transactions that are the subject of this Agreement, (i) irrevocably submits to the exclusive jurisdiction of the Chosen Courts, (ii) waives any objection to laying venue in any such action or proceeding in the Chosen Courts, (iii) waives any objection that the Chosen Courts are an inconvenient forum or do not have jurisdiction over any party and (iv) agrees that service of process upon such party in any such action or proceeding will be effective if notice is given in accordance with Section 9.3.

9.8 Waiver of Jury Trial. EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY WHICH MAY ARISE UNDER THIS AGREEMENT IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES, AND THEREFORE EACH SUCH PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE EXTENT PERMITTED BY LAW AT THE TIME OF INSTITUTION OF THE APPLICABLE LITIGATION, ANY RIGHT SUCH PARTY MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT. 9.9 Assignment: Third Party Beneficiaries. Neither this Agreement nor any of the rights, interests or obligations shall be assigned by any of the parties hereto (whether by operation of law or otherwise) without the prior written consent of the other party. Any purported assignment in contravention hereof shall be null and void. Subject to the preceding sentence, this Agreement will be binding upon, inure to the benefit of and be enforceable by the parties and their respective successors and assigns. Except as otherwise specifically provided in Section 6.7, this Agreement (including the documents and instruments referred to herein) is not intended to confer upon any person other than the parties hereto any rights or remedies hereunder, including the right to rely upon the representations and warranties set forth herein. The representations and warranties in this Agreement are the product of negotiations among the parties hereto and are for the sole benefit of the parties. Any inaccuracies in such representations and warranties are subject to waiver by the parties hereto in accordance herewith without notice or liability to any other person. In some instances, the representations and warranties in this Agreement may represent an allocation among the parties hereto of risks associated with particular matters regardless of the knowledge of any of the parties hereto. Consequently, persons other than the parties may not rely upon the representations and warranties in this Agreement as characterizations of actual facts or circumstances as of the date of this Agreement or as of any other date.

9.10 Specific Performance. The parties hereto agree that irreparable damage would occur if any provision of this Agreement were not performed in accordance with the terms hereof and, accordingly, that the parties shall be entitled to an injunction or injunctions to prevent breaches or threatened breaches of this Agreement or to enforce specifically the performance of the terms and provisions hereof (including the parties' obligation to consummate the Merger), in addition to any other remedy to which they are entitled at law or in equity. Each of the parties hereby further waives (a) any defense in any action for specific performance that a remedy at law would be adequate and (b) any requirement under any law to post security or a bond as a prerequisite to obtaining equitable relief.

9.11 Severability. Whenever possible, each provision or portion of any provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision or portion of any provision of this Agreement is held to be invalid, illegal or unenforceable in any respect under any applicable law or rule in any jurisdiction, such invalidity, illegality or unenforceability shall not affect any other provision or portion of any provision in such jurisdiction, and this Agreement shall be reformed, construed and enforced in such jurisdiction such that the invalid, illegal or unenforceable provision or portion thereof shall be interpreted to be only so broad as is enforceable.

9.12 Confidential Supervisory Information. Notwithstanding any other provision of this Agreement, no disclosure, representation or warranty shall be made (or other action taken) pursuant to this Agreement that would involve the disclosure of confidential supervisory information (including confidential supervisory information as defined in 12 C.F.R. § 261.2(c) and as identified in 12 C.F.R. § 309.5(g) (8)) of a Governmental Entity by any party to this Agreement to the extent prohibited by applicable law. To the extent legally permissible, appropriate substitute disclosures or actions shall be made or taken under circumstances in which the limitations of the preceding sentence apply.

This Agreement and any signed agreement or instrument entered into in connection with this Agreement, and any amendments or waivers hereto or thereto, to the extent signed and delivered by means of a facsimile machine or by e-mail delivery of a ".pdf" format data file, shall be treated in all manner and respects as an original agreement or instrument and shall be considered to have the same binding legal effect as if it were the original signed version thereof delivered in person. No party hereto or to any such agreement or instrument shall raise the use of a facsimile machine or e-mail delivery of a ".pdf" format data file to deliver a signature to this Agreement or any amendment hereto or the fact that any signature or agreement or instrument was transmitted or communicated through the use of a facsimile machine or e-mail delivery of a ".pdf" format data file as a defense to the formation of a contract and each party hereto forever waives any such defense.
